This Addendum forms a part of the contract documents and answers questions asked by interested vendors as noted below:

Question: Does your present contract have any pass thru billing? (i.e separate bill for vehicle, radio, other equipment specified in RFP or for Holiday)
Answer: No

Question: Is the vehicle billed separately?
Answer: No billing, contractor's responsibility

Question: The Specs require that the officers "detain and/or physically restrain persons." Can you clarify this? Commissioned guards have the powers of arrest; however, security guards have only citizens arrest powers.
Answer: Correct, security guards have only citizen arrest powers

Question: The Specs require a valid driver's license for all employees - but the FAQ on page 100 of the RFP states that only the officers operating vehicles will be required to have a Georgia driver's license. Which one is correct?
Answer: Only the guards operating the contractor's vehicles.

Question: Are the Account manager and Project Manager the same person
Answer: Yes.

Question: Could we get a list of security companies that are eligible to do business with Fulton County?
Answer: Any security company that can provide what the specifications ask for is eligible to do business with Fulton County.
