

2026 Contest Winner

RECYCLED ART CONTEST 2027

FULTON COUNTY PUBLIC WORKS

OPEN TO K-12 STUDENT ARTISTS IN FULTON COUNTY

Give used materials a new purpose!

Create original artwork that shows how preventing litter helps protect our waterways.

WHAT CAN I USE?

- Use recovered cardboard, paper, bottle caps, plastic containers, and other materials from home, school, or your community. Unused items already available and otherwise headed for disposal are also allowed. Do not buy new items.
- Assemble with glue, aluminum or copper wire, and tape (including colored tape).
- No paint, markers, or crayons. Use your materials' existing colors and patterns.
- Keep materials clean and cover sharp edges.

SUBMISSION GUIDELINES

- Create your own original artwork. **One entry per student. No group work.**
- Submit a sculpture or visual artwork, such as a collage or textured print.
- **Maximum size: 2 feet wide × 2 feet deep × 2 feet tall.**
- Communicate a message about litter prevention and protecting waterways.

HOW DO I ENTER?

Complete the online form by **Friday, February 26, 2027**

Include a description, your materials and their sources, and clear photos. For sculptures, include front, side, and back views. Selected artists will receive delivery and pickup instructions.

Scan the code to enter or visit:
