2. The form must be completed so as to set forth facts which will establish probable cause to believe that the proposed medical consent ward lacks decision-making capacity and is in need of a temporary medical consent guardian, pursuant to O.C.G.A. § 29-4-18, including but not limited to
  - (a) that the requested medical decision is necessary and why the decision is needed without undue delay;
  - (b) that the ward is unable to make or communicate such medical decision;
  - (c) the anticipated duration of the temporary medical consent guardianship;
  - (d) that no other person has the authority and/or willingness to make the medical decision; and
  - (e) whether a petition for the appointment of a guardian or conservator has been filed or will be filed as to this proposed ward.
3. According to Uniform Probate Court Rule 5.6 (A), unless the Court specifically assumes responsibility, it is the responsibility of the moving party to prepare the proper citation and deliver it properly so that it can be served according to law. All pages after the notice regarding Uniform Probate Court Rule 5.6 (A) are to be completed by the moving party, unless otherwise directed by the Court.
4. If probable cause is found by the Court, a preliminary hearing shall be held within 72 hours after the filing of the petition, notice of which shall be given to the proposed medical consent ward in accordance with O.C.G.A. § 29-4-18 (d) and, unless waived by the Court, in accordance with O.C.G.A. § 29-4-18 (e).
5. At the preliminary hearing the Court may appoint a temporary medical consent guardian, set an evidentiary hearing to be conducted no later than four days after the preliminary hearing, or dismiss the petition by issuing a court order. The forms herein allow the date for any evidentiary hearing to be determined and set in the order setting the preliminary hearing, but the decision to go forward with the evidentiary hearing would be made at the time of the preliminary hearing. If the date and time of the evidentiary hearing was not set until the preliminary hearing, a second notice shall be given to the proposed medical consent ward and may be given to any interested party according to

O.C.G.A. § 29-4-18 (e) who had not been served previously with the order setting the preliminary hearing.

6. Additional provisions are required to authorize withdrawal of life-sustaining procedures and must be specifically authorized by the Court.
