SECTION 1 INTRODUCTION

1.1 PROJECT DESCRIPTION

Fulton County, Georgia (“County”) is seeking a consultant to develop a comprehensive strategic plan for a Technical Assistance Grant for the Fulton County State Court Self-Help Center.

Through the issuance of this Request for Proposal (“RFP” and/or “Proposals”), the County is soliciting Proposals from qualified Proposers for the State Justice Institute (SJI) technical assistance grant. The consultant will work with Fulton County State Court (FCSC) judges, the Solicitor General and court staff to identify strengths and challenges of the center that may be suitable for self-help center service solutions; evaluate the effectiveness of existing forms and current technology for expanded use; prioritize customer needs with regard to their ability to navigate the court system as a self-represented litigant; evaluate a range of self-help center services best suited to meet those needs, including but not limited to services already identified by FCSC as potential options; review current services to identify opportunities for streamlining so as to improve efficiency; develop an implementation plan prioritized by highest cost-effective impact on the court system as a whole.

Proposals provided in response to this RFP that comply with the submittal requirements set forth in Section 4.0, including all forms and certifications, will be evaluated in accordance with the criteria and procedures described in Section 5.0. Based on the results of the evaluation, the County will award the [insert project description here] to the most advantageous Proposer based on the cost and the evaluation factors set forth in the RFP.

1.2 METHOD OF SOURCE SELECTION: This procurement is being conducted in accordance with all applicable provisions of the Fulton County Code of Ordinances and the specific method of source selection for the services required in this Proposal is Code Section 102-375, Competitive Selection Procedures for Professional and Consultant Services.

1.3 BACKGROUND

The development of this comprehensive Self-Help Center will improve access to justice for self-represented litigants by improving time management efficiency. It will also reduce ethical challenges faced by court clerks in providing assistance to customers and ensure legal aid resources are well allocated. Taken together, these benefits will help build public trust in Fulton County State Court (FCSC) and ensure citizen access to justice. Metro Atlanta is the third fastest-growing metro area in the nation, gaining nearly 90,000 people between 2016 and 2017, and FCSC, is experiencing a flood of case filings consistent with the region’s growth. New criminal and traffic case filings in 2017 tripled to more than 42,000 new cases, which were added to cases already pending before the court. The

staggering 30,000 case backlog plus the increased number of new filings that now move more quickly through the system have strained the court. In addition to over 10,000 criminal cases pending, the 2018 filings to date include over 14,000 criminal and traffic cases and over 5,000 civil cases.

1.4 COUNTY OBJECTIVES

The following are the County Objectives for this project:

The expansion and improvement of the Self-Help Center will provide self-represented litigants better access to a justice system that is more balanced, effective and efficient, and will improve the court's ability to provide results.

ARTICLE 19. COOPERATION WITH OTHER CONSULTANTS

Consultant will undertake the Project in cooperation with and in coordination with other studies, projects or related work performed for, with or by County's employees, appointed committee(s) or other Consultants. Consultant shall fully cooperate with such other related Consultants and County employees or appointed committees. Consultant shall not commit or permit any act, which will interfere with the performance of work by any other consultant or by County employees. ARTICLE 20. ACCURACY OF WORK

Consultant shall be responsible for the accuracy of his work and shall promptly correct its errors and omissions without additional compensation. Acceptance of the work by the County will not relieve Consultant of the responsibility of subsequent corrections of any errors and the clarification of any ambiguities. Consultant shall prepare any plans, report, fieldwork, or data required by County to correct its errors or omissions. The above consultation, clarification or correction shall be made without added compensation to Consultant. Consultant shall give immediate attention to these changes so there will be a minimum of delay to others.

Refusal by Consultant to submit progress reports and/or plans shall be cause for County, without any liability thereof, to withhold payment to consultant until Consultant complies with County's request in this regard. County's review recommendations shall be incorporated into the plans by Consultant.

ARTICLE 22. INDEMNIFICATION

22.1 Professional Services Indemnification. With respect to liability, damages, costs, expenses (including reasonable attorney's fees and expenses incurred by any of them), claims, suits and judgments that arise or are alleged to arise out of the Consultant/Contractor's acts, errors, or omissions in the performance of professional services, the Consultant/Contractor shall indemnify, release, and hold harmless Fulton County, its Commissioners and their respective officers, members, employees and agents (each, hereinafter referred to as an "Indemnified Person"), from and against liability, damages, costs, expenses (including reasonable attorney's fees and expenses incurred by any of them), claims, suits and judgments only to the extent such liability is caused by the negligence of the Consultant/Contractor in the delivery of the Work under this Agreement, but such indemnity is limited to those liabilities caused by a Negligent Professional Act, as defined below. This indemnification survives the termination of this Agreement and shall also survive the dissolution or to the extent allowed by law, the bankruptcy of Consultant/Contractor.

For the purposes of the Professional Services Indemnity above, a "Negligent Professional Act" means a negligent act, error, or omission in the performance of Professional Services (or by any person or entity, including joint ventures, for whom Consultant/Contractor is liable) that causes liability and fails to meet the applicable professional standard of care, skill and ability under similar conditions and like surrounding circumstances, as is ordinarily employed by others in their profession.

Consultant/Contractor obligation to indemnify and hold harmless, as set forth hereinabove, shall also include, but is not limited to, any matter arising out of any actual or alleged infringement of any patent, trademark, copyright, or service mark, or other actual or alleged unfair competition disparagement of product or service, or other tort or any type whatsoever, or any actual or alleged violation of trade regulations.

Consultant/Contractor further agrees to indemnify and hold harmless Fulton County, its Commissioners, officers, employees, subcontractors, successors, assigns and agents from and against any and all claims or liability for compensation under the Worker's Compensation Act, Disability Benefits Act, or any other employee benefits act arising out of injuries sustained by any employees of Consultant/Contractor. These indemnities shall not be limited by reason of the listing of any insurance coverage.

22.2 Notice of Claim. If an Indemnified Person receives written notice of any claim or circumstance which could give rise to indemnified losses, the receiving party shall promptly give written notice to Consultant/Contractor, and shall use best efforts to deliver such written notice within ten (10) Business Days. The notice must include a copy of such written notice of claim, or, if the Indemnified Person did not receive a written notice of claim, a description of the indemnification event in reasonable detail and the basis on which indemnification may be due. Such notice will not stop or prevent an Indemnified Person from later asserting a different basis for indemnification. If an Indemnified Person does not provide this notice within the ten (10) Business Day period, it does not waive any right to indemnification except to the extent that Consultant/Contractor is prejudiced, suffers loss, or incurs additional expense solely because of the delay.

22.3 Defense. Consultant/Contractor, at Consultant/Contractor's own expense, shall defend each such action, suit, or proceeding or cause the same to be resisted and defended by counsel designated by the Indemnified Person and reasonably approved by Consultant/Contractor (provided that in all instances the County Attorney of Fulton County Georgia shall be acceptable, and, for the avoidance of doubt, is the only counsel authorized to represent the County). If any such action, suit or proceedings should result in final judgment against the Indemnified Person, Consultant/Contractor shall promptly satisfy and discharge such judgment or cause such judgment to be promptly satisfied and discharged. Within ten (10) Business Days after receiving written notice of the indemnification request, Consultant/Contractor shall acknowledge in writing delivered to the Indemnified Person (with a copy to the County Attorney) that Consultant/Contractor is defending the claim as required hereunder.

22.4 Separate Counsel.

22.4.1 Mandatory Separate Counsel. In the event that there is any potential conflict of interest that could reasonably arise in the representation of any Indemnified Person and Consultant/Contractor in the defense of any action, suit or proceeding pursuant to Section 22.3 above or in the event that state or local law requires the use of specific counsel, (i) such Indemnified Person may elect in its sole and absolute discretion whether to waive such conflict of interest, and (ii) unless such Indemnified Person (and, as applicable, Consultant/Contractor) elects to waive such conflict of interest, or in any event if required by state or local law, then the counsel designated by the Indemnified Person shall solely represent such Indemnified Person and, if applicable, Consultant/Contractor shall retain its own separate counsel, each at Consultant/Contractor's sole cost and expense.

22.4.2 Voluntary Separate Counsel. Notwithstanding Consultant/Contractor's obligation to defend, where applicable pursuant to Section 22.3, a claim, the Indemnified Person may retain separate counsel to participate in (but not control or impair) the defense and to participate in (but not control or impair) any settlement negotiations, provided that for so long as Consultant/Contractor has complied with all of Consultant/Contractor's obligations with respect to such claim, the cost of such separate counsel shall be at the sole cost and expense of such Indemnified Person (provided that if Consultant/Contractor has not complied with all of

Consultant/Contractor's obligations with respect to such claim, Consultant/Contractor shall be obligated to pay the cost and expense of such separate counsel). Consultant/Contractor may settle the claim without the consent or agreement of the Indemnified Person, unless the settlement (i) would result in injunctive relief or other equitable remedies or otherwise require the Indemnified Person to comply with restrictions or limitations that adversely affect or materially impair the reputation and standing of the Indemnified Person, (ii) would require the Indemnified Person to pay amounts that Consultant/Contractor or its insurer does not fund in full, (iii) would not result in the Indemnified Person's full and complete release from all liability to the plaintiffs or claimants who are parties to or otherwise bound by the settlement, or (iv) directly involves the County (in which case the County of Fulton County, Georgia shall be the only counsel authorized to represent the County with respect to any such settlement).

22.5 Survival. The provisions of this Article will survive any expiration or earlier termination of this Agreement and any closing, settlement or other similar event which occurs under this Agreement.

ARTICLE 23. **CONFIDENTIALITY**

Consultant agrees that its conclusions and any reports are for the confidential information of County and that it will not disclose its conclusions in whole or in part to any persons whatsoever, other than to submit its written documentation to County, and will only discuss the same with it or its authorized representatives, except as required under this Agreement to provide information to the public. Upon completion of this Agreement term, all documents, reports, maps, data and studies prepared by Consultant pursuant thereto and any equipment paid for by County as a result of this Agreement, shall become the property of the County and be delivered to the User Department's Representative.

Articles, papers, bulletins, reports, or other materials reporting the plans, progress, analyses, or results and findings of the work conducted under this Agreement shall not be presented publicly or published without prior approval in writing of County.

It is further agreed that if any information concerning the Project, its conduct results, or data gathered or processed should be released by Consultant without prior approval from County, the release of the same shall constitute grounds for termination of this Agreement without indemnity to Consultant, but should any such information be released by County or by Consultant with such prior written approval, the same shall be regarded as Public information and no longer subject to the restrictions of this Agreement.

ARTICLE 24. **OWNERSHIP OF INTELLECTUAL PROPERTY AND INFORMATION**

Consultant agrees that Fulton County is the sole owner of all information, data, and materials that are developed or prepared subject to this Agreement. Consultant or any sub-consultant is not allowed to use or sell any information subject to this contract for educational, publication, profit, research or any other purpose without the written and authorized consent of the County. All electronic files used in connection to this

Agreement, which are by definition, any custom software files used in connection to this Agreement, (collectively, the “Software”), shall be turned over to the County for its use after termination hereof and Consultant shall have no interest of any kind in such electronic files. Any required licenses and fees for the Software or other required materials shall be purchased and/or paid for by Consultant and registered in the name of the County, if possible. The Software as defined hereunder, specifically excludes all software, documentation, information, and materials in which Consultant has pre-existing proprietary rights and/or has otherwise been licensed to Consultant prior to this Agreement, and any upgrades, updates, modifications or enhancements thereto. Consultant agrees to provide at no cost to County any upgrades to any software used in connection with this Agreement which may be subsequently developed or upgraded for a period of three (3) years from the date of completion of the work under the Agreement, except in the case of commercial Software licensed to the County. Any information developed for use in connection with this Agreement may be released as public domain information by the County at its sole discretion.

ARTICLE 25. **COVENANT AGAINST CONTINGENT FEES**

Consultant warrants that no person or selling agency has been employed or retained to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage or contingent fee, excepting bona fide employees maintained by Consultant for the purpose of securing business and that Consultant has not received any non-County fee related to this Agreement without the prior written consent of County. For breach or violation of this warranty, County shall have the right to annul this Agreement without liability or at its discretion to deduct from the Contract Price or consideration the full amount of such commission, percentage, brokerage or contingent fee.

ARTICLE 26. **INSURANCE**

Consultant agrees to obtain and maintain during the entire term of this Agreement, all of the insurance required as specified in the Agreement documents, Exhibit H, Insurance and Risk Management Forms, with the County as an additional insured and shall furnish the County a Certificate of Insurance showing the required coverage. The cancellation of any policy of insurance required by this Agreement shall meet the requirements of notice under the laws of the State of Georgia as presently set forth in the Georgia Code.

ARTICLE 27. **PROHIBITED INTEREST**

Section 27.01 **Conflict of interest:**

Consultant agrees that it presently has no interest and shall acquire no interest direct or indirect that would conflict in any manner or degree with the performance of its service hereunder. Consultant further agrees that, in the performance of the Agreement, no person having any such interest shall be employed.

Section 27.02 **Interest of Public Officials:**

No member, officer or employee of County during his tenure shall have any interest, direct or indirect, in this Agreement or the proceeds thereof.

ARTICLE 28. **SUBCONTRACTING**

Consultant shall not subcontract any part of the work covered by this Agreement or permit subcontracted work to be further subcontracted without prior written approval of County.

ARTICLE 29. **ASSIGNABILITY**

Consultant shall not assign or subcontract this Agreement or any portion thereof without the prior expressed written consent of County. Any attempted assignment or subcontracting by Consultant without the prior expressed written consent of County shall at County's sole option terminate this Agreement without any notice to Consultant of such termination. Consultant binds itself, its successors, assigns, and legal representatives of such other party in respect to all covenants, agreements and obligations contained herein.
