(Section A must be completed by the User Department and then submitted to the Department of Purchasing & Contract Compliance)

SECTION A

Department: *Emergency Communications Department*

Department Contact: *Angela J. Barrett, Director*

Description of Supplies/Services: *Maintenance Support of Premier MDC Software*

Demonstration of Contractor's Unique Qualifications: *The Motorola Premier MDC is a sole source item that can only be purchased and upgraded through Motorola Inc. By nature of the proprietary software components and the overall system design, there are currently no other companies authorized to perform maintenance services on Motorola's system. Motorola is the only vendor who can modify or enhance the software for the Fulton County Mobile Data System. The Mobile Data System, which is the wireless communications method of transmitting information to field units, is a critical component in the delivery of 9-1-1 and public safety service, and any failure not supported by maintenance and support agreement could disrupt service. A disruption in service could pose a risk to the safety of the field officers.*
