

JUSTIFICATION AND APPROVAL FOR ALLOWING AWARD OF CONTRACT WITHOUT COMPETITION

(Section A must be completed by the User Department and then submitted to the Department of Purchasing & Contract Compliance)

SECTION A

Department: Marshal Department

Department Contact: *Melissa Burke*

Description of Supplies/Services: 35 controlled access parking spaces within 1/8 mile of Carnes Justice Center, 160 Pryor Street, Suite J160, Atlanta, GA 30303

Demonstration of Contractor's Unique Qualifications:

The Marshal's Department requires parking spaces for a portion of the vehicle fleet within quick response distance (1/8 mile) from Carnes Justice Center for assigned personnel/patrols. Parking space availability in/around the courthouse is very limited. InterPark is the only parking facility that can satisfy our requirements (quantity of spaces; within 1/8 mile distance) and provide controlled access to our equipment. If this Sole Source request is not approved, current fleet of cars will be add to the congestion of vehicles parked legally (and illegally) around the Courthouse facility. In addition, vehicles will be left in areas unattended and without controlled access, after hours, increasing the risk of vandalism and theft.
