

JUSTIFICATION AND APPROVAL FOR ALLOWING AWARD OF CONTRACT WITHOUT COMPETITION

(Section A must be completed by the User Department and then submitted to the Department of Purchasing & Contract Compliance)

SECTION A

Department: Department of Information Technology

Department Contact: Derek McKay, Financial System Manager

Description of Supplies/Services: Support, Licensing and Maintenance for Compudyne/Tiburon Applications (JDL Justice Data Link (JDL), Jail Visitation Record (JVST), Jail Charge Record (JCHG) and Jail Discipline (JDSP).

Demonstration of Contractor's Unique Qualifications:

Compudyne/Tiburon applications provide fully integrated monitoring, command and control, information management and analysis solutions to meet the demanding and complex needs of law enforcement, fire and rescue, corrections, and justice agencies.

The suite of applications that are provided to Fulton County are proprietary to Compudyne/Tiburon and only their employees have the knowledge and skill sets to access the code to perform the support.

If the support is not continued, Fulton County will be in danger of running mission critical applications with no ability to recover should a system down situation occur. This application monitors the timely release of inmates, the history of visitation records, and jail charges and discipline history.
