SECTION 6 CONTRACT COMPLIANCE REQUIREMENTS

6.1 NON-DISCRIMINATION IN PURCHASING AND CONTRACTING

It is the policy of Fulton County Government that discrimination against businesses by reason of the race, color, gender or national origin of the ownership of any such business is prohibited. Furthermore, it is the policy of the Board of Commissioners ("Board") that Fulton County and all vendors and contractors doing business with Fulton County shall provide to all businesses the opportunity to participate in contracting and procurement paid, in whole or in part, with monetary appropriations of the Board without regard to the race, color, gender or national origin of the ownership of any such business. Similarly, it is the policy of the Board that the contracting and procurement practices of Fulton County should not implicate Fulton County as either an active or passive participant in the discriminatory practices engaged in by private contractors or vendors seeking to obtain contracts with Fulton County.

Implementation of Equal Employment Opportunity (EEO) Policy

The County effectuates Equal Employment Opportunity thru Policy #800-8, Non-Discrimination in Contracting and Procurement. This policy considers racial and gender workforce availability. The availability of each workgroup is derived from the work force demographics set forth in the 2000 Census EEO file prepared by the United States Department of Commerce for the applicable labor pool normally utilized for the contract.

Monitoring of EEO Policy

Upon award of a contract with Fulton County, the successful bidder/proposer must complete an Equal Employment Opportunity Report (EEOR), describing the racial and gender make-up of the firm's work force. If the EEOR indicates that the firm's demographic composition indicates underutilization of employee's of a particular ethnic group for each job category, the firm will be required to submit an aggressive action plan setting forth steps the firm will take to address the identified underutilization.

6.2 EQUAL BUSINESS OPPORTUNITY PLAN (EBO PLAN)

In addition to the proposal submission requirements, each vendor **must** submit an Equal Business Opportunity Plan (EBO Plan) with their bid/proposal. The EBO Plan is designed to enhance the utilization of a particular racial, gender or ethnic group by a bidder/proposer, contractor, or vendor or by Fulton County. The respondent **must** outline a plan of action to encourage and achieve diversity and equality in the available procurement and contracting opportunities with *this solicitation*.

The EBO Plan **must** identify and include:

-
1. Potential opportunities within the scope of work of *this solicitation* that will allow for participation of racial, gender or ethnic groups.
 2. Efforts that will be made by the bidder/proposer to encourage and solicit minority and female business utilization in *this solicitation*.

Fulton County encourages joint ventures, teaming, partnering and mentor-protégé relationships with minority and female businesses in an effort to achieve contracting and procurement diversity.

Prompt Payment: The prime contractor **must** certify in writing and **must** document all subcontractors, sub-consultants and suppliers have been promptly paid for work and materials, (less any retainage by the prime contractor prior to receipt of any further progress payments). In the event the prime contractor is unable to pay subcontractors, sub-consultants or suppliers until it has received a progress payment from Fulton County, the prime contractor shall pay all subcontractors, sub-consultants or suppliers funds due from said progress payment within forty-eight (48) hours of receipt of payment from Fulton County. In no event shall a subcontractor, sub-consultant or supplier be paid later than fifteen (15) days as provided for by state law.

6.3 DETERMINATION OF GOOD FAITH EFFORTS

During the course of the project, the Prime Contractor shall demonstrate that they have made all efforts reasonably possible to ensure that Minority and Female Business Enterprises (MFBE) have had a full and fair opportunity to compete and win subcontracts on this project. The Prime Contractor is required to include all outreach attempts that would demonstrate a “Good Faith Effort” in the solicitation of sub-consultants/subcontractors.

Written documentation demonstrating the Prime Contractor’s outreach efforts to identify, contact, contract with or utilize Minority or Female owned businesses shall include holding pre-bid conferences, publishing advertisements in general circulation media, trade association publications, minority-focused media, and the County’s bid board, as well as other efforts.

Include a list of publications where the advertisement was placed as well as a copy of the advertisement. Advertisement shall include at a minimum, scope of work, project location, location(s) of where plans and specifications may be viewed or obtained and trade or scopes of work for which subcontracts are being solicited.

6.4 REQUIRED FORMS AND EBO PLAN

In order to be compliant with the intent and provisions of the Fulton County Non-Discrimination in Purchasing and Contracting Ordinance (99-0960), bidders/proposers **must** submit the following completed documents. Failure to provide this information **shall** result in the proposal being deemed non-responsive.

-
- Exhibit A – Promise of Non-Discrimination
 - Exhibit B – Employment Report
 - Exhibit C – Schedule of Intended Subcontractor Utilization
 - Exhibit D – Letter of Intent to Perform as a Subcontractor or Provide Materials or Services
 - Exhibit E – Declaration Regarding Subcontractors Practices
 - Exhibit F – Joint Venture Disclosure Affidavit
 - Equal Business Opportunity Plan (EBO Plan). This document is not a form rather a statement created by the bidder/proposer on its company letter head addressing the EBO Plan requirements.
 - Exhibit H – First Source Jobs Program Information, Form 2

The following document must be completed as instructed if awarded the project:

- Exhibit G – Prime Contractor’s Subcontractor Utilization Report
- Exhibit H – First Source Jobs Program Agreement, Form 3

All Contract Compliance documents (Exhibits A – H and EBO Plan) are to be placed in a **separate sealed envelope** clearly marked “Contract Compliance”. The EBO Plan must be submitted on company letterhead. These documents are considered part of and should be submitted with the Technical Proposal.

POLICY 800-6, PROCEDURES FOR HANDLING CHANGE ORDERS

POLICY AND PROCEDURE

SUBJECT: Procedures for Handling Change Orders

DATE: September 19,

800-6

NUMBER: 800-6

A. STATEMENT OF POLICY:

Fulton County is committed to a policy of open, non-discriminatory and competitive purchasing. When circumstances arise after award of a contract, requiring modification of that contract, such modification will be accomplished in accordance with this Change Order Policy and Procedure, to achieve the following goals:

- (1) Ensure that Fulton County does not pay more than is necessary to complete the contract;
- (2) Preclude a contractor from tendering the lowest bid and then increasing the cost of the contract through the change order process;
- (3) Ensure that the terms and conditions upon which the contract was awarded are met throughout the term of the contract, including any and all change orders;
- (4) Ensure that the change order procedure is not used to bypass the competitive bidding process; and
- (5) Ensure that change orders are not used for work that is independent of and outside the scope of the original contract.

B. BACKGROUND:

A change order is a written order from Fulton County to a contractor, directing a change within the scope of the contract and necessary for completion of the contract, in the specifications, services, time of performance or terms and conditions of the contract. A change is within the scope of a contract if it concerns the work required by the original contract documents and any subsequent change orders approved to accomplish the intent of the project as described in the solicitation documents.

A contractor is any person or entity, whether designated as a contractor, vendor, consultant or by any other title, having a contractual relationship with Fulton County. In Fulton County, except as otherwise provided in this Policy and Procedure, change orders shall be effected only through a written, bilateral

agreement (Modification) between the County, acting through its Board of Commissioners, and the contractor. The Modification modifies the contract and will specify all changes to the contract and the costs thereof.

C. JUSTIFICATION FOR CHANGE ORDERS:

Change orders are authorized only for the following reasons:

- (1) Situations creating an immediate need to protect the public health, safety or welfare;
- (2) Corrections of deficiencies in design or construction documents provided by architects or engineers other than the contractor;
- (3) Changes in applicable laws or regulations, or changes that result from public participation when such participation is mandated by laws or regulations;
- (4) Concealed conditions, differing site conditions or abnormal inclement weather;
- (5) Owner requested changes within the scope of the original contract. Such changes may include: deductive change orders and accommodation of value engineering and administrative matters such as closeout change orders for unit price contracts, deductions for approved material substitutions and administrative no-cost change orders.

D. CHANGE ORDER AUTHORITY: Except as otherwise provided in this procedure, change orders may be approved only by the Board of Commissioners of Fulton County. Such approval shall be demonstrated by a formal vote on the Contract Modification.

E. CHANGE ORDER PROCEDURE: The ordinary sequence of a change order is as follows:

- (1) Need for contract change is identified.
- (2) Contractor is requested to propose price for change and if necessary, schedule changes.
- (3) Contractor and County negotiate price and scope of change.
- (4) Agreement between County and contractor for change is clearly defined in a written Modification.
- (5) Contractor signs Modification and returns it to County.
- (6) Modification is submitted to Board of Commissioners for approval and signature.

Circumstances may alter this general description of change order procedure. The administrative actions necessary to accomplish a change order are described in Section “F” of this Policy and Procedure.

F. ADMINISTRATIVE ACTIONS: Department heads have primary responsibility for completion of the administrative steps necessary to complete a change order. Such responsibility may be exercised through designees and in consultation with other interested departments. Except for change orders falling under Section G, the following regular administrative procedures will govern all change orders:

- (1) The department head will confirm the necessity for and the appropriateness of a change order under this procedure.
- (2) The department head will submit to the contractor a written description of the proposed change and request that the contractor submit a cost proposal. The written description must provide sufficient details of the change to permit the contractor to submit a realistic price.
- (3) The department head, in conjunction with the Purchasing Agent, shall review the cost proposal for general reasonableness and compliance with applicable County purchasing policies.
- (4) If appropriate and necessary, the department head may negotiate the cost and scope of the proposed change with the contractor.
- (5) If agreement is reached with the contractor, the terms of the agreement shall be reduced to a written Contract Modification suitable for execution by the contractor and Fulton County. The Modification shall clearly describe the changes to the contract, including any changes to the schedule and the obligations of the parties. The Modification also shall clearly describe all elements of the cost of the changes, all previous change orders and the total change to the contract cost.
- (6) The department head shall submit the proposed Modification to the County Attorney for preliminary review, and to the Purchasing Agent, the Director of Finance and the Director of Contract Compliance for their review. The department head shall attach to the Modification, the documents listed in Attachment 1 to this Procedure. When change order packages are submitted to the County Attorney’s Office for review, the original contract and all previous change orders must be attached.
- (7) Upon completion of the reviews, the department head shall make such changes to the proposed Modification and related documents as necessary and then shall submit five copies of the Modification to the contractor for execution.
- (8) The Modification, as executed by the contractor, the explanatory memorandum and the Uniform Contract/Purchasing Sign-Off Sheet (Sign-Off Sheet) shall be submitted to the County Attorney’s Office for final review, to include review of the formalities of execution by the contractor.

- (9) The Modification and accompanying documentation shall be submitted to the County Manager for approval and placement on the Board of Commissioners' agenda. The County Manager shall ensure that all required reviews have been completed and that all necessary documents are attached to the Modification. However, the County Manager may disapprove a change order and return it to the department head to have the work procured through the competitive process.
- (10) Following approval by the Board of Commissioners and receipt of the approval letter from the County Manager, the user department shall forward the originals (with a copy of the approval letter and the routing sheet) to the County Manager for execution. The County Manager shall forward the documents to the Chairman's Office for his/her signature. The Chairman's Office shall forward the documents to the Clerk to the Commission for his/her signature. The Clerk's Office shall retain one original for the file designated by the Board of Commissioners for filing contracts and making them available for public inspection, and shall forward one original to Purchasing and the remainder of the documents to the user department.
- (11) The user department shall distribute copies of the approved and signed Modifications as set out in Section H. The Purchasing Agent shall issue any necessary purchase order modifications to the contractor and the department concerned, and the department head shall issue to the contractor any necessary notices to proceed.

G. COUNTY MANAGER'S AUTHORITY: In the following described situations, the County Manager is authorized to approve change orders and authorize the commencement of work pursuant to such change orders, subject to ratification by the Board of Commissioners. The Board of Commissioners will not withhold ratification unless there is credible evidence showing that the contractor induced or procured the change order by fraud.

(1) Change orders less than 10% of original contract amount:

- (a) The County Manager is authorized to approve change orders having a total cost that is less than 10% of the original contract cost. A change order may be approved under this procedure if its cost, when combined with that of all previous change orders to the same contract, is an amount less than 10% of the original contract cost. The County Manager may decline to exercise this authority and return change orders for processing through the regular change order procedure, or may direct that the work be procured through the competitive process.
- (b) Change orders submitted under this authority shall be processed according to the regular administrative procedure described in the preceding Section F, up through Step (8).

The procedure thereafter shall be as follows, substituting the numbered steps below:

(9) The Modification and required documentation shall be submitted to the County Manager for approval. The County Manager shall review the documents for compliance with this Policy and Procedure and the completion of all required reviews. The County Manager may decline to exercise the authority to approve the change order and may either submit it to the Board of Commissioners under the regular administrative procedure or return it to the department head to procure the work through the competitive process.

(10) The County Manager shall document approval of the change order by signature on the Sign-Off Sheet and shall notify the user department and the Purchasing Agent of such approval. The department head and the Purchasing Agent shall issue any necessary notices to proceed and purchase order amendments. Work may proceed upon approval by the County Manager.

(11) Not more than sixty (60) days following approval of a change order under this authority, the County Manager shall have it spread on the minutes by placing it on the consent agenda and subsequently obtaining the signature of the Chairman of the Board of Commissioners on the Modification. The user department shall distribute copies of the executed Modification as stipulated under the regular procedure.

(2) Extraordinary Circumstances:

(a) The County Manager is authorized to approve change orders regardless of the amount when due to extraordinary circumstances, work must be implemented before the Board of Commissioners can act. The County Manager may decline to exercise the authority granted hereunder and may require that the change order be submitted under the regular procedure, or he/she may direct that the work be procured through the competitive process.

(b) The authority granted in this section may be exercised when immediate action must be taken to protect the County's interests, and only under the following circumstances (in addition to meeting the requirements of Section C):

(i) Threat to public health, welfare or safety; or

(ii) Threat of litigation when it appears likely that litigation will be commenced and that Fulton County's legal position may be compromised by delay in implementing the change order. Change orders citing this circumstance must be approved by the Office of the County Attorney; or

- (iii) Loss of substantial resources due to delay, including delay to critical path schedule.
- (c) Department heads proceeding under this authority must comply with as much of the procedure set out in Section G (1) as the situation will permit.
- (d) At a minimum, the following procedures must be observed:
 - (i) The contractor shall execute a written contract Modification that clearly describes the work to be done and its cost. If costs cannot be fully detailed due to the exigencies of the situation, the Modification must set out a maximum cost and state that the cost will be definitized in a final change order.
 - (ii) The department head shall obtain the approval of the Purchasing Agent, prior to submitting the change order to the County Manager.
 - (iii) The work may proceed upon approval by the County Manager. The department head shall prepare all other documentation normally required for a change order, including completion of the Sign-Off Sheet.
 - (iv) Not later than sixty (60) days following approval of the change order, the County Manager shall place the change order on the consent agenda.
 - (v) In cases of change orders without definitized costs under Subsection (i) above, the department head shall commence processing a final change order as soon as circumstances permit.
