**Addendum 1**  
**RFP Number 06ITBLARP0506K-NH**  
**LAPR0506 ROAD RESURFACING CONTRACT**

May 9, 2006

Dear Vendor:

The following information is offered in response to vendor questions and requests for clarification or information.

**Question:** There seems to be some confusion regarding the completion date for the project. Will the contractor have one full year from the issuance of notice to proceed to complete the work?

**Response:**  
Yes, the Contractor will have one full year from the notice to proceed date to complete the project.

**Question:** Will Fulton County for this project agree to implement the price adjustment procedure as set forth in the Georgia DOT Asphalt Cement Price Adjustment, Special Provision Section 400.5.01(F)?

**Response:** Yes, Fulton County will comply with the price adjustment procedure as set forth in the Georgia DOT Asphalt Cement Price Adjustment, Special Provision Section 400.5.01.

**Question:** I have noticed that the quantities on the "Pricing Quote Sheet" for both the north and the south projects are exactly the same. Are these quantities taken quantities? Also the quantities on the "Larp Project Report" do not match the quantities on the "Pricing Quote Sheet"

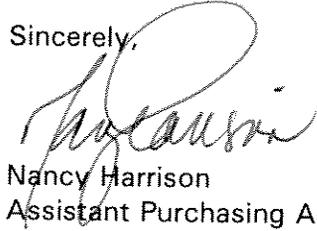

**Response:** The quantities listed are estimated quantities to resurface several roads. Please base your price quote for both North Fulton and South Fulton on the estimated quantities only. By giving these quantities as estimates, Fulton County does not obligate itself to purchase any quantity whatsoever. Vendor agrees to sell to the County at the unit price bid regardless of actual quantity ordered.

Please revise line item 135 to read as follows:

135	500 LF	653-1804 THERMOPLASTIC SOLID TRAFFIC STRIPE, 8 IN, WHITE
