Re: 07ITB56949BR-TR
Inmate Video Visitation System

Dear Bidders:

Attached is one (1) copy of Addendum 1, hereby made a part of the above referenced ITB.

Except as provided herein, all terms and conditions in the Bid referenced above remain unchanged and in full force and effect.

Sincerely,

Terrence Reese, CPPB
Assistant Purchasing Agent

This Addendum forms a part of the contract documents and **modifies** the original ITB documents as noted below:

The following questions were posed against the aforementioned ITB.

Question #1:

Is this ITB being rebid from the summer? If so, why is it being rebid?

Answer # 1:

This project was out for bid this summer; however, the County only received one (1) bid response for the project. The vendor ISSI "International System Strategies, Inc." was the only vendor who submitted a bid and they didn't present us with a properly executed Bid Bond and as a result, the decision was made to rebid the project. The End User realized that this would be a good opportunity to change specifications that would give an even better depiction of what the County Jail really needs.

Question #2:

What will be the length of service commitment?

Answer #2:

The length of service for this contract will be for a one time purchase inclusive of all equipment, Installation and configuration of Visitation Phones associated Servers and annual maintenance and required.

Question #3:

For service, do you want next day parts or next day parts and person?

Question #4:

What other counties have implemented the V2V Solution? Is this a proprietary solution?
