Corrections to Specifications:

Item 1 Item 1 Delete Section 00300 in its entirety and replace with new Section 00300 included this addendum. (Only change is addition of new bid item under ITEM 4 - Service Line Reconnections)

Questions and Responses:

Question: Regarding Section 02731 Paragraph 1.02 A, we are a newly formed company so obviously we do not have the experience required. I however was employed by Insituform for twenty years. Can my previous experience with Insituform be used to satisfy this requirement?

Response: No, see Section 02731, paragraph 1.02A which states in part "...must have a minimum of 5 years experience using the exact named product proposed".

Question: Also since my experience is with the Insituform lining system (paragraph c), can we be prequalified using a similar system that satisfies the product prequalification requirement?

Response: No, see Section 02731, paragraph 1.02C which require experience with exact product being proposed. There is no pre-qualifying of products.
