QUESTIONS and ***RESPONSES***

QUESTION: In reference to the subject ITB; I do not find any listing /inventory/specification of the Fujitsu Blade equipment and components to be purchased by the County in the document I downloaded from the County website. Did I miss something?

RESPONSE: There is no listing/inventory/specification of the Fujitsu Blade equipment and components to be purchased by the County. Instead, the county's vendor selection will be based upon the lowest bid price expressed as a percentage of discount from Fujitsu's manufacturer's suggested list price, as well as meeting all of the bid requirements and the bidder must agree that pricing to Fulton County for all items procured as a result of this bid shall not be higher than the Fujitsu's manufacturer's suggested list price minus the percentage of discount. While the County intends to purchase Fujitsu equipment against this solicitation, we do not know exactly and in what quantities – items will be needed, therefore there is no definite inventory of what we will be purchasing. Purchases will be determined by departmental need, budget and projects going forward.

QUESTION: In reference to the subject ITB; I do not find any listing/inventory/specification of the Fujitsu Blade equipment and components to be purchased by the County in the document I downloaded from the County website. Did I miss something??

RESPONSE: See Response above.

QUESTION: Fujitsu prices and discounts its server, storage and components separately to its resellers etc. Will it be admissible to quote Servers, Storage, Components discounts separately???

RESPONSE: Yes
