1. Will the following locations receive approval for the recommended additional Cameras

Burdett Gym

- Burdett Gym- Additional Camera for Outdoor Surveillance (Possible Mounting onto Lamp Post for Parking Lot Coverage) **Cameras should mounted to building even though view might not be what we want**
- Will the cost for removing the existing cabling and equipment be allowed under Labor Cost? **Nothing needs to be removed unless it is in the way of the new installation and should be included in your bid under miscellaneous**
- Coordination with the Fulton County Parks and Recreation Staff for additional power sources to support additional cameras **Once bid is accepted, I will meet with the accepted vendor and General Services to have electric installed where needed**

Creel Park

- Approval for the additional camera with high power zoom lens to capture the Restroom area **Yes**
- Additional Camera to cover the following areas (Parking Lot (blind Spot), Air Condition Unit **Yes**
- Will the cost for removing the existing cabling and equipment be allowed under Labor Cost? **Nothing needs to be removed unless it is in the way of the new installation and should be included in your bid under miscellaneous**

SandTown Gym

- Will the cost for removing the existing cabling and equipment be allowed under Labor Cost? **Nothing needs to be removed unless it is in the way of the new installation and should be included in your bid under miscellaneous**
- Coordination with the Fulton County Park and Recreation Staff for additional power sources to support camera locations. **Once bid is accepted, I will meet with the accepted vendor and General Services to have electric installed where needed**

Welcome All Multipurpose Building

- Approval for additional cameras to cover the following locations (2 cameras to cover the Parking Lot, 2 Cameras for exits leading to the football field and exiting for the upstairs track. **Yes**
- Coordination with the Fulton County Parks and Recreation staff for additional power sources to support additional cameras. **Once bid is accepted, I will meet**

with the accepted vendor and General Services to have electric installed where needed

- Will the cost for removing the existing cabling and equipment be allowed under Labor Cost? **Nothing needs to be removed unless it is in the way of the new installation and should be included in your bid under miscellaneous**

South Maintenance Building

- Coordination with the Fulton County Parks and Recreation staff for the locating of the buried conduit that connects the lower equipment storage areas to the administration building. Who will be responsible for locating and allowing access to the pull-boxes? **Maintenance staff located at that site will assist**
 - Will the cost for additional conduit be allowed under the Labor Cost to support reconnecting the existing conduit system? **Maintenance staff at that location will make repairs to existing conduit as needed**
 - Will the cost for removing the existing cabling and equipment be allowed under Labor Cost? **Nothing needs to be removed unless it is in the way of the new installation and should be included in your bid under miscellaneous**
2. Will the cost for adding Lock Boxes or Mid-Atlantic Enclosures be considered for ascetics and security reasons for the DVR (Theft, Staff Vandalism) **Not at this time**
 3. Is the county considering IP cameras to have the ability to view remotely? If not, someone will have to be on location and in front of the monitor to see any camera activity. **All cameras are suppose to be viewable remotely from any computer on the network**
 4. For security purposes, will the DVR have off site back up or will everything be fed back to an on-site building **No off site back up unless the IT Department will provide storage space for us**
 5. Does the wire that is specified (RG6 Coax Cable) have to be Plenum rated? **No**
 6. Can I provide you with Two CCTV solutions to this RFQ? **Only the lowest bid that meets what we want will be accepted so I would just submit your lowest priced solution.**
 7. Are you going to let us know if there are more cameras added to the sites after yesterdays site visit? **Donald is going to add a miscellaneous line to the bid. Miscellaneous will be everything we talked about, including extra cameras that was not on the original RFQ that will be needed to complete job as discussed on site visit.**
 8. Two of the Sites are at a Gym and is it possible that if I was able to do a site visit these installations could require a lift and possibly some conduit so there is no exposed wiring for a professional installation? **He is correct that he needs to inspect the site as there are places that may require conduit or other special needs. He is also correct in assuming that he will need a lift to reach places in the gyms and possibly outside of the buildings. After all, we are looking for professional installation at a good price.**

***** Under the South Maintenance Building price list, the DVR is actually a different model than the rest of the sites. It should be a DVR16TN/300 Speco 16 channel 300 GB multiplexor.
