ADDENDUM NO. 3  
Request for Proposal – 12RFP83223CC-MT  
Automated Fuel Management System (AFMS)  
Fulton County, Georgia

May 4, 2012

Dear Vendors:

This addendum is in reference to the 12RFP83223C-MT  
Automated Fuel Management System

1. The County is using an analog line to dial into a modem for connectivity needs. Cable is not recommended as a result of over 250 ft. for telluric connectivity. The County will consider the possibility of using wireless to make a connection to the network. There is no existing wireless connection. Therefore, vendors may propose a wireless connection as optional.
2. The RFP due date and time has been extended to 11:00 A.M. May 16, 2012.
3. If additional site visits are needed, please contact Malcolm Tyson to make arrangements.
