*Terrence Reese, CPPB
Assistant Purchasing Agent*

This Addendum forms a part of the contract documents and **modifies** the original ITB documents as noted below:

The following inquiry was made of the aforementioned ITB:

Question # 1:

Mr. Reese, in reference to the Body Armor Section, you list examples of acceptable armor; can we submit an equivalent or better model? If so, does it need to be pre-approved or what type of paperwork do you need submitted with it.

Answer # 1:

As stated in **13 A** of the specifications, body armor **shall** be:

“National Institute of Justice (NIJ) Certified under “NIJ 2005 Interim Requirements for Bullet-Resistant Body Armor” for Threat Level II, minimum five (5) year warranty”

The list of certified armor is maintained by the NIJ on the National Law Enforcement and Corrections Technology Center (NLECTC) Body Armor Testing Program Database website at:

<http://www.nlectc.org/BatPro/>

In the Database search menu, select Threat Level II, 5 year warranty. This will list armor by all manufacturers that meets the NIJ standard.

As further stated in section 13 A of the specifications, there shall be a:

“Moisture Barrier Covering on Ballistic Panels”

The carrier garment for the armor shall be as described in section 13 B of the specifications.
