**RE: RFP#07RFP54472K-DJ
Design and Engineering Services for Marsh Creek Pump Station
Project No. S231**

Dear Proposers:

Attached is one (1) copy of Addendum 2, hereby made a part of the above referenced Request for Proposal (RFP).

Except as provided herein, all terms and conditions in the RFP referenced above remain unchanged and in full force and effect.

Sincerely,

Donna Jenkins

Donna Jenkins
Assistant Purchasing Agent

This Addendum forms a part of the contract documents and **modifies** the original RFP documents as noted below:

Corrections to Request for Proposal:

1. Section 3.3.1, Paragraph 3, Item 6 – replace “complete boundary survey and topographical survey” with “complete property boundary survey and topographical survey of existing wastewater treatment plant site”.
2. Section 5, Proposal Forms, pages 5-1 through 5 -15, this entire section has been replaced. The revised Section 5 is at the end of this addendum.

Questions and Responses:

1. “Please indicate the County’s preferences with respect to demolition of the pump station and existing abandoned wastewater treatment facilities. For example, does the County plan for complete demolition of these works including removal of all concrete, metalwork and other materials and then backfilling to existing grade with suitable fill material and final grading?”

Response – See RFP Section 3.3 along with Addendum 1, Item 5. Selected Proposal Team will assist County in developing decommissioning and demolition plans based on Proposer’s findings and recommendations.

2. “Please confirm the approximate alignment of the force main from the Marsh Creek pump station to the RL Sutton Water Reclamation Facility.”

Response – The approximate location and direction of the force main are indicated on the existing wastewater treatment plant site plan. Refer to Addendum 1, Item 3 for instructions to obtain the site plan.

3. “In the RFP Section 3.3.1-Preliminary Design Phase, it calls for a ‘complete boundary survey and topographical survey....’ Is Fulton County requiring a complete boundary and topographic survey of the entire 23 acre site or do they just need a topographic survey for the project site (approximate 3.0acres)?”

Response – County is requiring a complete property boundary survey and a topographic survey of the existing wastewater treatment plant site. Section 3.3.1, Paragraph 3, Item 6 – replace “complete boundary survey and topographical survey” with “complete property boundary survey and topographical survey of existing wastewater treatment plant site”.

4. What is the horsepower of the existing pumps?

Response – The horsepower of the existing pumps is 50 HP each, as defined in the RFP, Section 1.3, paragraph 3.

5. In Exhibit 1 Required Proposal Submittal Checklist for Request for Proposal (RFP), item #8, it asks for the Risk Management Insurance Provisions Form. Is this a reference to pages 7-2 through 7-5, with a signature page on page 7-5 in the rfp? Would you like all four pages included? Would you like them in the compliance envelope or in the technical proposal?

Response – Place all four in the technical.

6. The order and numbering of Purchasing Forms listed in the rfp as Forms 1-4, pages 5-1 through 5-10, does not match the Exhibit 1 Required Proposal Submittal Check List Purchasing Forms listed Forms A through G. Which order do you prefer?

Response – The order of Section 5.

7. In Exhibit 1 Required Proposal Submittal Checklist, item #6, it asks for Form D-Georgia Utility Contractor License. There is no reference to needing to provide a Georgia Utility Contractor License in the Purchasing Forms section listed in the RFP. Which applies?

Response – this is not applicable, Georgia Utility Contractor License is not required for this project.

8. In Exhibit 1 Required Proposal Submittal Checklist, item #6, it refers to Form F-Corporate Certificate. There is no reference to this in the Purchasing Forms section of the RFP. Would you clarify this requirement?

Response – it is the Certificate of Acceptance of Request for Proposal Requirement on page 5-10.

9. In the past, you have not required inclusion of Exhibit G Prime Contractors/Subcontractor Utilization Report in the proposal, but Exhibit 1 Required Proposal Submittal Checklist lists it. Which applies?

Response – Exhibit G Prime Contractors/Subcontractor Utilization Report is a required form under Section 6 Contract Compliance Requirements.

10. Do our subconsultants need to fill out Form G Disclosure Form and Questionnaire? Or just the prime?

Response – Prime only.

11. In some previous RFPs, Fulton required a Confidentiality/Non-disclosure form be signed. Has this form gone away or is it just not applicable to this RFP?

Response – this form is not applicable.
