The following is provided as a result of a question submitted by an interested Quoter:

Question: There's a discrepancy between what's listed on the commodity response and the pricing sheet for the 13CT90034 bid, FRESH Grant Agricultural Education Services. Under commodity response, the site lists requested quantity as 97.0000. However, pricing sheet lists estimated quantity as 25 per person. Which figure should I use in determining how many youth served?

Response: Interested Quoters are not required to enter quotes and attachments by on-line bidding. It should be mailed, faxed or e-mailed; however, Ms. Towns will correct the information to reflect a quantity of 25 in lieu of 97 in the AMS system commodity response.
