SECTION 1
INTRODUCTION

1.1 PURPOSE

Fulton County, Georgia (“County”) is seeking qualified lobbyist firms to provide legislative representation of the County’s Legislative Package and to advise the County on State of Georgia legislative issues that may impact County policies, programs and other necessary services of specific legislative issues as determined by the Board of Commissioners (“BOC”) which affect Fulton County. Proposers must have experience working with local county governments of similar size in the State of Georgia and have a minimum of three (3) years work experience. The Proposer must have experience and knowledge in the following areas: lobbying, tracking, monitoring, analyzing and reviewing proposed legislation through the legislative process that may impact the County and providing strategy for advocating the County’s position on issues.

Proposals provided in response to this RFP that comply with the submittal requirements set forth in Section 4.0, including all forms and certifications, will be evaluated in accordance with the criteria and procedures described in Section 5.0. Based on the results of the evaluation, the County will award the [insert project description here] to the most advantageous Proposer based on the cost and the evaluation factors set forth in the RFP.

1.2 BACKGROUND

Fulton County was created in 1853, by the Georgia General Assembly, and is the largest County governmental jurisdiction in the State of Georgia. The County provides a range of services to more than 934,000 residents, employs a workforce of approximately 6,000 employees, and operates on an annual budget that exceeds \$600 million. The County is governed by a seven (7) member Board of Commissioners, five (5) elected by geographic district and two (2) elected county-wide, including the Chairman. Members are part-time and serve concurrent four (4) year terms.

Responsibilities of the Board of Commissioners include: establishing policies for the health and welfare of County residents, adopting an annual budget for County government operations, authorizing bond referenda, and enacting plans for County growth and development.

The County government is administered by a County Manager, who is appointed by the Board of Commissioners. The County Manger implements the Board’s policies, prepares the annual budget for the Board’s approval, appoints

Department Heads, and supervises the County's employees. The County Manager oversees approximately 38 departments involved in such areas as roads and utilities, public safety, courts, social services, health, environment and community development, purchasing, and tax assessment.

The Intergovernmental and Interagency Affairs Division ("Intergovernmental Affairs") is a division of the County Manager's Office and will be responsible for the administration of the contract which results from this RFP.

The primary mission of the Intergovernmental Affairs Division is to coordinate the legislative, community and political activities of Fulton County with local, state and federal governments and other institutions. Intergovernmental Affairs has an established State Legislative Program in which it develops the County's legislative "package" for Board of Commissioners approval and ultimate submission to the Fulton County legislative delegations. The primary legislative functions of the Intergovernmental Affairs are as follows:

- Develop an annual Legislative "Package".
- Identify potential Sponsors for legislation.
- Organize legislative breakfasts, luncheons and other legislative receptions.
- Track, monitor, and analyze legislation through the legislative process.
- Attend and represent the County before legislative committees and delegation meetings.
- Prepare and distribute bi-weekly status reports to the Board of Commissioners, the County Manager, County Department Heads, and Departmental Legislative Liaisons.
- Provide copies of legislation, amendments, and proposed legislation to Department Heads and Legislative Liaisons.
- Attend and coordinate delegation meetings, and work closely with members of the delegation.
- Prepare a final Legislative Report.

The following information pertains to the submission of a proposal to Fulton County ("County"), and contains instructions on how proposals must be presented in order to be considered. If specific conditions or instructions in the text of the Request for Proposal ("RFP") conflict with the General Requirements as listed here, those conditions or instructions in the RFP shall prevail.

1. Proposals submitted in response to the attached RFP must be formatted as specified in the RFP. Additional sheets, literature, etc., should be clearly identified.
2. The original and the required number of copies of the proposal must be returned to:

Fulton County Purchasing Agent
Fulton County Department of Purchasing and Contract Compliance

Atlanta, Georgia 30303

3. The envelope in which the proposal is submitted must be sealed and clearly labeled with the RFP project name and number, due date and time, and the name of the company or individual submitting the proposal. Proposals must be received by the opening date and time shown on this RFP in order to be considered. The Purchasing Agent has no obligation to consider proposals which are not in properly marked envelopes. The Technical Proposal, Cost Proposal and Contract Compliance submittals shall be submitted in separate sealed envelopes. The inclusion of any cost information in the Technical Proposal may result in such proposal being rejected by the County.
4. Proposals received after the time and date specified will not be opened or considered.
5. By submitting a signed proposal, Offeror agrees to accept an award made as a result of the submission of the prices and terms contained in that proposal. Prices proposed must be audited by the Offeror to insure correctness before the proposal is submitted. Person signing the proposal is responsible for the accuracy of information in it. The specifications, provisions, and the terms and

conditions of the RFP and proposal shall become a valid contract between Fulton County and the Offeror upon notice of award of contract in writing and/or issuance of a purchase order.

6. Any contract awarded as a result of this proposal, shall comply fully with all Local, State, and Federal laws and regulations.
7. Absolutely no fax proposals or reproduction proposals will be accepted, except that if multiple copies of the proposal are required, photocopies of the original may be submitted as the additional copies, provided that they are clearly marked as such.
8. Type or neatly print company name, as well as the full legal name and title of the person signing the proposal, in all appropriate places. The Offeror's signature must be executed by a Principal of the company duly authorized to make contracts and bind the company to all terms being proposed.
9. Proposals may be withdrawn upon receipt of a written request prior to the stated due date and time. If a firm seeks to withdraw a proposal after the due date and time, the firm must present a notarized statement indicating that an error was made, with an explanation of how it occurred. The withdrawal request must be accompanied by documentation supporting the claim. Prior to approving or disapproving the request, an opinion will be obtained from Fulton County's Legal Counsel indicating whether the firm is bound by its proposal.

Proposals for projects that are solicited pursuant to the Georgia Local Government Public Works Construction Law (O.C.G.A. § 36-91-1 et seq.) may be withdrawn as follows:

The County must advise Offerors in the request for proposals of the number of days that Offerors will be required to honor their proposals. If an Offeror is not selected within 60 days of opening the proposals, any Offeror that is determined by the governmental entity to be unlikely of being selected for contract award will be released from the proposal.

10. Show information and prices in the format requested. Prices are to be quoted F.O.B. destination, and must include all costs chargeable to the Offeror in executing the contract, including taxes. Unless otherwise provided in the Contract, Fulton County shall have no liability for any cost not included in the price. The Offeror shall provide Fulton County the benefit through a reduction in price of any decrease in the Offeror's costs by reason of tax exemptions based upon Fulton County's status as a tax-exempt entity.

-
11. Propose all items specified or indicate under each item what alternative is being proposed and why it should be considered in lieu of the original specification. Failures to indicate any exceptions shall be interpreted as the Offeror's intent to fully comply with the specifications as written. Conditional or qualified proposals (except as specifically allowed in the specifications) are subject to rejection in whole or in part.
 12. Fulton County shall be the sole judge of the quality and the applicability of all proposals. Design, features, overall quality, local facilities, terms and other pertinent considerations will be taken into account in determining acceptability.

 15. The successful Offeror must assume full responsibility for providing warranty service on all goods, materials, or equipment provided to the County with warranty coverage. Should a vendor be other than the manufacturer, the vendor and not the County is responsible for contacting the manufacturer. The Offeror is solely responsible for arranging for the service to be performed.
 16. The successful Offeror shall be responsible for the proper training and certification of personnel used in the performance of the services proposed.
 17. The successful Offeror shall not assign, transfer, convey, sublet, or otherwise dispose of any contract resulting from the RFP or of any of all of its rights, title or interest therein without prior written consent of the Fulton County Board of Commissioners.
 18. Proposals must contain references which reflect successful completion of contracts for the types of goods, materials, equipment, or services for which the vendor is submitting a proposal to the County. In instances where that does not apply, the proposal must contain a statement and supporting documentation demonstrating such expertise, knowledge, or experience to establish the vendor submitting the proposal as capable of meeting the demands of the proposal should an award be made to them.
 19. Offerors submitting proposals may be required to furnish evidence that they maintain permanent places of business of a type and nature compatible with their proposal, and are in all respects competent and eligible vendors, able to

-
- fulfill the terms of the specifications. Fulton County may make such investigations as it deems necessary to determine the ability of the Offeror to perform such work, and reserves the right to reject any proposal if evidence fails to indicate that the proposed vendor is qualified to carry out the obligation of the contract and to complete the work satisfactorily.
20. By submitting a signed proposal, Offeror certifies that there has been no collusion with any other Offeror. Reasonable grounds for believing Offeror has an interest in more than one proposal will result in rejection of all proposals in which the Offeror has an interest. Any party to collusion may not be considered in future proposals for the same or similar work.
 21. Upon notice of selection, the Offeror submitting the proposal is obligated to perform. Should a successful Offeror refuse to enter into a contract subsequent to an award, a penalty may be assessed and/or the Offeror may be found to be “non-responsible” in the future.
 22. In case of default by the successful Offeror, Fulton County may procure the articles or services from another source and hold the successful Vendor responsible for any resultant excess cost.
 23. Successful Offerors contract directly with the County and are the party or parties obligated to perform. Contracts may not be assigned and any failure to perform the Contract in accordance with the specifications will constitute a breach of contract and may result in an Offeror being found to be “non-responsible” in the future.
 24. Invoice(s) must list each item separately and must show Fulton County’s purchase order number as well as the proper department and address to whom the service or product was provided.
 25. Fulton County reserves the right to accept or reject any or all proposals, or any part thereof, and to waive any technicalities. Fulton County reserves the right to award a contract based on this RFP and the proposal(s) received (in whole or in part) to one or several Vendors.
 26. Awards will not necessarily be based on cost alone. Other factors, as detailed in the RFP, will be considered in determining what proposal will be deemed to best meet the needs of Fulton County.
 27. All proposals and bids submitted to Fulton County are subject to the Georgia “Open Records Act”, Official Code of Georgia, Annotated (O.C.G.A.) § 50-18-70 et seq.

-
28. All proposals and bids submitted to Fulton County involving Utility Contracting are subject to the Georgia law governing licensing of Utility Contractors, O.C.G.A. §43-14-8.2(h). The Utility Contractor License number of the person who will perform the utility work shall be written on the face of the bid envelope.
 29. Prior to beginning any work, the successful Offeror shall furnish to Fulton County (for the contracting firm and for any subcontractors) a certificate from an insurance company showing issuance of Workers' compensation coverage for the State of Georgia or a certificated from the Georgia Workers' Compensation Board showing proof of ability to pay compensation directly.
 30. It is the policy of Fulton County that the evaluation and award process for County contracts shall be free from both actual and perceived impropriety, and that contacts between potential vendors and County officials, elected officials and staff regarding pending awards of County contracts shall be prohibited.
 - A. No person, firm, or business entity, however situated or composed, obtaining a copy of or responding to this solicitation, shall initiate or continue any verbal or written communication regarding this solicitation with any County officer, elected official, employee, or designated County representative, between the date of the issuance of this solicitation and the date of the County Manager's recommendation to the Board of Commissioners for award of the subject contract, except as may otherwise be specifically authorized and permitted by the terms and conditions of this solicitation.
 - B. All verbal and written communications initiated by such person, firm, or entity regarding this solicitation, if same are authorized and permitted by the terms and conditions of this solicitation, shall be directed to the Purchasing Agent.
 - C. Any violation of this prohibition of the initiation or continuation of verbal or written communications with County officers, elected officials, employees, or designated County representatives shall result in a written finding by the Purchasing Agent that the submitted bid or proposal of the person, firm, or entity in violation is "non-responsive", and same shall not be considered for award.
 31. Any Offeror intending to respond to this solicitation as a Joint Venture must submit an executed Joint Venture Agreement with this offer. This agreement must designate those persons or entities authorized to execute documents or otherwise bind the Joint Venture in all transactions with Fulton County, or be

accompanied by a document, binding upon the Joint Venture and its constituent members, making such designation. Offers from Joint Ventures that do not include these documents will be rejected as being “non-responsive”.

32. Any Offeror intending to respond to this solicitation must complete all of the Procurement Affidavit Forms provided in Section 5. Proposals that do not include these completed documents will be rejected as being “non-responsive”.

3.4 KEY ISSUES

As a large urban County, Fulton is faced with unique issues and challenges, which must be effectively represented before the Georgia General Assembly and the State's agencies and departments. Identified below are key issues the County will need to address during the next legislative session. The following eight (8) issues are carryover items from the 2009 Legislative Session.

Issue 1 Indigent and Trauma Care Funding for Grady Hospital

The State of Georgia and surrounding metro Atlanta are not paying their fair share to keep Grady Hospital in operation. Skyrocketing healthcare costs and an increase in the indigent population have placed Grady Hospital in a \$37 million budget shortfall. One of the continuing problems is the treatment of indigent and uninsured patients; only eight percent (8%) of Grady Hospital patients are insured, seventeen percent (17%) are uninsured and the remainders are currently on, or attempted to get on, Medicaid or Medicare. In order to mediate this budget shortfall, the State of Georgia should provide a dedicated funding source through the Indigent Care Trust Fund (the "ICTF"). As the largest contributor to the ICTF,

Grady Hospital also provides treatment services to the uninsured from outside of the metropolitan area—including patients from Gwinnett, Cobb, and Clayton Counties. However, due to limited funding and an increased number of hospitals designated as “eligible” according to modifications in the ICTF formula, Grady Hospital has not received an equitable share of funds back in return.

Fulton County is seeking support of the Georgia General Assembly and state agencies to utilize a multi-layered approach to assist Grady Hospital as follows: to enact legislation providing for a comprehensive review of the ICTF formula mechanism and eligibility criteria; support a regional strategy that assist Grady Hospital as it provides unique services (i.e., Burn Center, Poison Center, Sickle Cell Center, HIV Aids, OB-GYN, Cancer, and Neonatal units) and its respective targeted programs; establish a vehicle for supplemental funding from surrounding metro Atlanta counties for care of those counties’ indigent and trauma care patients treated at Grady Hospital; support a review and adjustment of the disproportionate share (DSH) funding through Medicaid payments provided to hospitals.

Issue 2 Jail Reimbursement for State Inmates

State law provides that if an inmate is not transferred to the State within 15 days after proper documentation is received from the Clerk of the Court, the state is to reimburse the county in an amount that is “not less than \$7.50 per day per inmate and in such an amount as may be appropriated for this purpose by the General Assembly, for the cost of the incarceration....” (O.C.G.A. 42-5-51 (c)). The State is currently paying \$22.00 per inmate per day. The per diem cost to incarcerate an inmate at the Fulton County Jail is \$79.00. There is an additional burden to Fulton County because the number of days the County is keeping offenders after they have been certified to be received by the state prison system has risen steadily over the last few years. This situation has contributed to overcrowding of the Fulton County Jail and has significantly impacted its operational budget. Fulton County is seeking an increase in the daily amount the Georgia Department of Corrections pays to the county if an inmate is kept in the county jail after being sentenced to confinement in the state penal system.

Issue 3 Change in Funding Formula for MARTA

Despite the regional nature of services provided by MARTA, a one percent (1%) sales tax is currently being collected only in Fulton and DeKalb Counties and the City of Atlanta to support the regional transit operations.

Fulton County spends an average of \$200 million dollars in sales tax each year towards supporting the operations of MARTA. MARTA is a regional transit system; however, the surrounding counties, (with the exception of DeKalb) are not contributing to the operations of MARTA. The existing funding formula found in the MARTA Act, which has not been changed in any substantial way in over 30 years, should address and consider MARTA service funding challenges and needs from a more regional perspective. A solution to the inadequate funding of MARTA and the disproportionate financial obligations toward MARTA that have been placed upon Fulton County in relation to other impacted jurisdictions can only come from a revision in statutory funding sources and the distribution formula.

Fulton County seeks alternative regional funding mechanisms to financially support MARTA. Additionally, Fulton County believes that its contributions and future obligations toward MARTA should be reconsidered and adjusted on a regular basis as new funding mechanisms are developed and implemented.

Issue 4 Increase State Funding For Mental Health Services

The State of Georgia does not adequately fund mental health services. Georgia ranks at or near the bottom of the list of states with regard to spending on mental health (44th) Per Capita Spending (\$49.88). Georgia ranks 20th in total MH spending (\$430 million statewide). The states systematic decrease in funding for Temporary Aid to Needy Families program for mental health (TANF-MH) has directly impacted Fulton County's ability to provide adequate services to all citizens suffering from mental illness, but especially to women. In the State's FY2009 and FY2010 budgets, Fulton County lost \$343,000,00 in TANF-MH funding impacting services to over 800 clients.

Sufficient resources and funding are needed for adult chronically mentally ill clients to prevent psychiatric hospitalizations and readmissions to hospitals. Georgia needs to create and adequately fund substantial community-based programs outside the state psychiatric hospitals for people with severe mental illness. The system of care is currently fragmented. Improved access to medication to treat mental illness will increase health care efficiency, patient safety and coordination of care across our Fulton County health care programs.

Fulton County seeks legislative action or appropriations to adequately fund the treatment of SMI and SA across the State of Georgia. Support is requested for the following: increase statewide funding for mental health services; increased funding for young adults with mental illness, transitioning into adulthood; increased funding for medication for indigent patients suffering from mental illness; and adequate funding for substantial community based programs outside state hospitals for persons with mental illness.

Issue 5 Fulton Courthouse Security Funding

Pursuant to the Constitution of the State of Georgia, all causes of action against the State of Georgia must originate in Fulton Superior Court. Additionally, through the State's creation of the Business Court in Fulton County, many businesses located throughout Georgia choose to litigate matters in the Fulton courthouse. However, this increased burden from the State has not been accompanied by an increase in funding for necessary security measures. Following the courthouse shooting in March, 2005, Fulton County has increased funding for courthouse security; however, the State of Georgia, through its significantly increased use of the Fulton County courthouse, should join Fulton County in providing additional funding for security.

Fulton County seeks State support through legislation or an appropriation to assist in the provision of security for the Fulton County Courthouse.

Issue 6 Deannexation and Transition Services

During the 2007-2008 Session, the General Assembly passed legislation simplifying the deannexation procedures. However, the General Assembly did not pass or propose any legislation providing for deannexation procedures. Because of the disparities in procedures for annexation versus deannexation, and ensuing inability for landowners to seek deannexation from a municipality, the General Assembly must seek to achieve parity in annexation and deannexation.

Fulton County seeks the passage of legislation simplifying the deannexation process for those landowners contiguous to an unincorporated area wishing to de-annex out of a municipality by allowing such landowners an opportunity to de-annex out of a municipality by following steps substantially similar to those available to landowners wishing to annex into a municipality.

Issue 7 Best Value Procurement

Georgia law prohibits local governments from attempting to control or affect the wages or employment benefits provided by vendors through enacting procurement criteria considering such wages or benefits offered in the local governments' procurement processes. The inability to consider health benefits offered provides a disincentive for a potential vendor to provide health benefits to employees. This disincentive further exacerbates the current health care crisis in the State of

Georgia and will decrease the number of insured patients treated in state funded hospitals.

Fulton County seeks the passage of legislation that would allow local governments of certain sizes to consider health care benefits as a selection criterion in its procurement process.

Issue 8 Pay to Stay

The criminal justice system is one of the most costly portions of county governments' budgets. Incarceration costs are the fastest growing and one of the least controllable parts of the provision of this mandated service. The full brunt of these costs is borne by the taxpayers of Fulton County. A more equitable method would be to charge those who are arrested some amount of money to defray the cost of their incarcerations. Various states have established such programs for their prison populations and have permitted local governments to participate. While there may need to be provisions made for indigence and for findings of innocence, a pay-to-stay program would allow counties to recoup some of the cost of protecting the public from criminal activities by assessing those responsible for those activities.

SECTION 6

CONTRACT COMPLIANCE REQUIREMENTS

6.1 NON-DISCRIMINATION IN CONTRACTING AND PROCUREMENTS

It is the policy of Fulton County Government that discrimination against businesses by reason of the race, color, gender or national origin of the ownership of any such business is prohibited. Furthermore, it is the policy of the Board of Commissioners (“Board”) that Fulton County and all vendors and contractors doing business with Fulton County shall provide to all businesses the opportunity to participate in contracting and procurement paid, in whole or in part, with monetary appropriations of the Board. Similarly, it is the policy of the Board that the contracting and procurement practices of Fulton County should not implicate Fulton County as either an active or passive participant in the discriminatory practices engaged in by private contractors or vendors seeking to obtain contracts with Fulton County.

Equal Business Opportunity Plan (EBO Plan): In addition to the proposal submission requirements, each vendor **must** submit an Equal Business Opportunity Plan (EBO Plan) with their bid/proposal. The EBO Plan is designed to enhance the utilization of a particular racial, gender or ethnic group by a bidder/proposer, contractor, or vendor or by Fulton County. The respondent **must** outline a plan of action to encourage and achieve diversity and equality in the available procurement and contracting opportunities with *this solicitation*.

The Plan **must** identify and include:

1. Potential opportunities within the scope of work of *this solicitation* that will allow for participation of racial, gender or ethnic groups. (Ex: subcontracting, joint venturing, etc.)
2. Efforts that will be made by the bidder/proposer to encourage and solicit minority and female business utilization in *this solicitation*. (Ex: media solicitation directed to M/FBEs, contacting Fulton County certified M/FBEs listed in the M/FBE Directory, etc.)

Fulton County encourages joint ventures, teaming, partnering and mentor-protégé relationships with minority and female businesses in an effort to achieve contracting and procurement diversity.

Prompt Payment: The prime contractor **must** certify in writing and **must** document on the Exhibit G Form (Prime Contractor/Subcontractor Utilization Report) that all subcontractors, sub-consultants and suppliers have been promptly paid for work and materials, (less any retainage by the prime contractor prior to receipt of any further progress payments). In the event the prime contractor is unable to pay subcontractors, sub-consultants or suppliers until it has received a progress payment from Fulton

County, the prime contractor shall pay all subcontractors, sub-consultants or suppliers funds due from said progress payment within forty-eight (48) hours of receipt of payment from Fulton County. In no event shall a subcontractor, sub-consultant or supplier be paid later than fifteen (15) days as provided for by state law.

6.2 REQUIRED FORMS AND EBO PLAN

In order to be compliant with the intent and provisions of the Fulton County Non-Discrimination in Purchasing and Contracting Ordinance (99-0960), bidders/proposers **must** submit the following completed documents. Failure to provide this information **shall** result in the proposal being deemed non-responsive.

- Exhibit C – Schedule of Intended Subcontractor Utilization
- Exhibit D – Letter of Intent to Perform as a Subcontractor or Provide Materials or Services
- Exhibit E – Declaration Regarding Subcontractors Practices

All Contract Compliance documents (Exhibits A – F and EBO Plan) are to be placed in a **separate sealed envelope** clearly marked “Contract Compliance”. The EBO Plan must be submitted on company letterhead. These documents are considered part of and should be submitted with the Technical Proposal.
