RE: RFQ# 08CT64477YA DNA/Paternity Testing Buccal Swab

I have reviewed the responses to the request for quote #08CT64477YA. It is my recommendation that paternity testing services be awarded to the lowest, responsive and responsible bidder, Laboratory Corporation of America ("LabCorp").

I am recommending that a purchase order in the amount of \$3,000 be established for Laboratory Corporation of America, and an encumbrance for these services be created at funding line 08-100-405-4052-1171.

Thank you for your efforts in our behalf.
