19. **NOTICE OF AWARD OF CONTRACT:** As soon as possible, and within sixty (60) days after receipt of bids, the County shall notify the successful Bidder of the Award of Contract.

    The award shall be made by the Board of Commissioners of Fulton County to the lowest responsive, responsible bidder(s) as soon as possible after receipt of bids, taking into consideration price and the responsiveness to the requirements set forth in the Invitation for Bid. In such case, no claim shall be made by the selected Contractor(s) for loss of profit if the contract is not awarded or awarded for less work than is indicated and for less than the

amount of his bid. The total of the awarded contract shall not exceed the available funds allocated for this project.

Should the County require additional time to award the contract, the time may be extended by mutual agreement between the County and the successful bidder. Any award made by the Board of Commissioners as a result of this bid will begin from the date of the notice to proceed. The Bidder agrees hereby to commence work under this Contract, with adequate personnel and equipment, on a date to be specified in a written order of the Program Manager. The contract shall become effective on the Contract Date and shall continue in effect until the end of the term of the contract or until the project has been closed-out by the User Department unless earlier terminated pursuant to the termination provisions of the contract.

20. **BASIS OF AWARD:** The Contract, if awarded, will be awarded on a lump sum basis to the lowest responsive and responsible bidder. No bid may be withdrawn for a period of sixty (60) days after the date of bid opening except as permitted by O.C.G.A., §36-91-41 et seq., as amended.

21. **EXECUTION OF CONTRACT DOCUMENTS:** Upon notification of Award of Contract, the County shall furnish the Contractor the conformed copies of Contract Documents for execution by the Contractor and Contractor's surety.

If the County fails to execute the documents within the time limit specified, the Contractor shall have the right to withdraw the Contractor's bid without penalty.

Should an extension of any of the time limits stated above be required, this shall be done only by mutual agreement between both parties.

Any agreement or contract resulting from the acceptance of a bid shall be on a County approved document form. The County reserves the right to reject any agreement that does not conform to the Invitation for Bid and any County requirements for agreements and contracts. The County reserves the right to modify the agreement resulting from this bid upon the recommendation of the County Attorney.

22. **JOINT VENTURE:** Any Bidder intending to respond to this solicitation as a joint venture must submit an executed joint venture agreement with its offer. The agreement must designate those persons or entities authorized to execute documents or otherwise bind the joint venture in all transactions with Fulton County, or accompanied by a document, binding upon the joint venture and its constituent members, making such designation. Offers from joint ventures that do not include these documents will be rejected as being non-responsive.

23. **CONTRACTORS COMPLIANCE WITH ALL ASSURANCES AND/OR PROMISES MADE IN RESPONSE TO PROCUREMENT**: Should any Bidder submit a response to the County promising to provide a certain level of service for either the scope of work, MFBE participation, or any other matter, including where such promise or assurance is

greater than what is required by the procurement documents, and should this response containing the promise or assurance be accepted by the County and made a part of the Contract Documents, then this degree or level of service promised by the bidder relating to the scope of work, MFBE participation, or other matter shall be considered to be a material part of the Agreement between the bidder and the County, such that the bidder's failure to provide the agreed upon degree or level of service or participation shall be a material breach of the Agreement giving the County just cause to terminate the Agreement for cause, pursuant to the General Conditions of the Agreement.

24. MINIMUM PARTICIPATION OF REQUIREMENTS FOR PRIME CONTRACTORS

N. A successful Bidder's delivery ticket(s) and invoice(s) must list each item separately and must show Fulton County's purchase order number as well as the proper department and address to which delivery was made, as listed on the purchase order or in the Bidder's contract with Fulton County.

O. Unless clearly shown as "no substitute" or words to that effect, any items in this invitation to Bid which have been identified, described or referenced by a brand name or trade name are for reference only. Such identification is intended to be descriptive but not restrictive, and is to indicate the general quality and characteristics of products that may be offered. Each item Bid must be individually identified as to whether it is a specified item or an equivalent item by typing or printing after the item(s): The brand name; model or manufacturer's number, or identification regularly used in the trade. Deviations from the specifications must be clearly and fully listed on the Bid sheet, including photographs or cuts, specifications, and dimensions of the proposed "alternate". T. All successful Bidders must assume full responsibility for providing or ensuring warranty service on any and all items including goods, materials, or equipment provided to the County with warranty coverage. If a successful Bidder is not the manufacturer, all manufacturers' warranties must be passed through to Fulton County. The Bidder and not Fulton County is responsible for contacting the manufacturer of the warranty service provided during the warranty period and supervising the completion of the warranty service to the satisfaction of Fulton County.

U. As a successful Bidder providing any equipment which requires fitting and assembly, the Bidder shall be solely responsible for such installation being performed by a manufacturer's authorized or approved servicer or an experienced worker, utilizing workmanship of the highest caliber. The Bidder must verify all dimensions at the site, shall be responsible for their correctness, and shall be responsible for the availability of replacement parts when specified in writing by Fulton County in the specifications, purchase order, or other contract.

V. A successful Bidder is solely responsible for disposing of all wrappings, crating, and other disposable material upon delivery of item(s).

W. All Bidders are required to be authorized distributors or regularly engaged in the sale or distribution of the type of goods, materials, equipment or services for which the Bidder is submitting a Bid response in addition, all Bidders are required to provide Fulton County with three (3) written references documenting the successful completion of Bids or contracts for the types of items including goods, materials, equipment, or services for which the Bidder is submitting a Bid response. In instances where a Bidder has never supplied such goods, material, equipment, or services before, the Bidder must submit with the Bid response a statement and supporting documentation demonstrating such expertise, knowledge, or experience to establish the Bidder as a responsible Bidder, capable of meeting the Bid requirements should an award be made. No exceptions to this provision will be made unless authorized in the Bid specifications.

X. Bidders may be required to furnish evidence that they maintain permanent places of business of a type and nature compatible with their Bid proposal, and are in all respects competent and eligible vendors to fulfill the terms of the specifications. Fulton County may make such investigations as it deems necessary to determine the ability of the Bidder to perform such work, and reserves the right to reject any Bidder if evidence fails to indicate that the Bidder is qualified to carry out the obligation of the Contract and to complete the work satisfactorily.

Y. All Bidders must comply with all Fulton County Purchasing laws, policies, and procedures, non-discrimination in contracting and procurement ordinances, and relevant state and federal laws including but not limited to compliance with EEOC hiring guidelines and requirements under the Americans with Disabilities Act. Successful Bidder must obtain all permits, licenses, and inspections as required and furnish all labor, materials, insurance, equipment, tools, supervision, and incidentals necessary to accomplish the work in these specifications.

Z. If a successful Bidder is unable or unwilling to enter into a Contract with Fulton County subsequent to being granted an award, or who fails to perform in accordance with the Bid specifications the Bidder will be subject to damages and all other relief allowed by law.

AA. Successful Bidders contract directly with Fulton County and are the party or parties obligated to perform. Contracts may not be assigned and any failure to perform the Contract in accordance with the specifications will constitute a breach of Contract and may result in a Bidder being found to be "non-responsive" in the future.

BB. In case of default by the successful Bidder, Fulton County may procure the articles for services from another source and hold the successful Bidder responsible for any resulting excess cost.

CC. The County may award any Bid in whole or in part to one or more vendors or reject all Bids and/or waive any technicalities if it is in the best interests of the County to do so. In the event that all Bids are not rejected, Bids for items including goods, materials, equipment, and services will be awarded to the lowest "responsible" Bidder(s) as determined by Fulton County. Submitting the lowest Bid, as published at the Bid opening, does not constitute an award or the mutual expectation of an award of a Contract and purchase order. For purposes of this notice and the attached Bid sheets, a purchase order is a Contract to provide items including goods, materials, equipment, and services and is intended to have the full force and effect of a Contract. A breach of the terms and conditions of a purchase order constitutes a breach of Contract.

DD. Bids for projects that are solicited pursuant to the Georgia Local Government Public Works Construction Law (O.C.G.A. § 36-91-1 et seq.) may withdrawn as follows:

a. Competitive sealed Bids ("Bid") may not be revoked or withdrawn until 60 days after the time set by the governmental entity for opening of Bids. SECTION 4

CONTRACT COMPLIANCE REQUIREMENTS

NON-DISCRIMINATION IN PURCHASING AND CONTRACTING

It is the policy of Fulton County Government that discrimination against businesses by reason of the race, color, gender or national origin of the ownership of any such business is prohibited. Furthermore, it is the policy of the Board of Commissioners ("Board") that Fulton County and all vendors and contractors doing business with Fulton County shall provide to all businesses the opportunity to participate in contracting and procurement paid, in whole or in part, with monetary appropriations of the Board without regard to the race, color, gender or national origin of the ownership of any such business. Similarly, it is the policy of the Board that the contracting and procurement practices of Fulton County should not implicate Fulton County as either an active or passive participant in the discriminatory practices engaged in by private contractors or vendors seeking to obtain contracts with Fulton County.

Implementation of Equal Employment Opportunity (EEO) Policy

The County effectuates Equal Employment Opportunity thru Policy #800-8, Non-Discrimination in Contracting and Procurement. This policy considers racial and gender workforce availability. The availability of each workgroup is derived from the work force demographics set forth in the 2000 Census EEO file prepared by the United States Department of Commerce for the applicable labor pool normally utilized for the contract.

Monitoring of EEO Policy

Upon award of a contract with Fulton County, the successful bidder/proposer must complete an Equal Employment Opportunity Report (EEOR), describing the racial and gender make-up of the firm's work force. If the EEOR indicates that the firm's demographic composition indicates underutilization of employee's of a particular ethnic group for each job category, the firm will be required to submit an aggressive action plan setting forth steps the firm will take to address the identified underutilization.

DETERMINATION OF GOOD FAITH EFFORTS

During the course of the project, the Prime Contractor shall demonstrate that they have made all efforts reasonably possible to ensure that Minority and Female Business Enterprises (MFBE) have had a full and fair opportunity to compete and win subcontracts on this project. The Prime Contractor is required to include all outreach attempts that would demonstrate a "Good Faith Effort" in the solicitation of sub-consultants/subcontractors.

Written documentation demonstrating the Prime Contractor's outreach efforts to identify, contact, contract with or utilize Minority or Female owned businesses shall include holding pre-bid conferences, publishing advertisements in general circulation media, trade association publications, minority-focused media, and the County's bid board, as well as other efforts.

Include a list of publications where the advertisement was placed as well as a copy of the advertisement. Advertisement shall include at a minimum, scope of work, project location, location(s) of where plans and specifications may be viewed or obtained and trade or scopes of work for which subcontracts are being solicited.

EQUAL BUSINESS OPPORTUNITY PLAN (EBO PLAN)

In addition to the proposal submission requirements, each vendor **must** submit an Equal Business Opportunity Plan (EBO Plan) with their bid/proposal. The EBO Plan is designed to enhance the utilization of a particular racial, gender or ethnic group by a bidder/proposer, contractor, or vendor or by Fulton County. The respondent **must** outline a plan of action to encourage and achieve diversity and equality in the available procurement and contracting opportunities with *this solicitation*.

The EBO Plan **must** identify and include:

1. Potential opportunities within the scope of work of *this solicitation* that will allow for participation of racial, gender or ethnic groups.

2. Efforts that will be made by the bidder/proposer to encourage and solicit minority and female business utilization in *this solicitation*.

Fulton County encourages joint ventures, teaming, partnering and mentor-protégé relationships with minority and female businesses in an effort to achieve contracting and procurement diversity.

Prompt Payment: The prime contractor **must** certify in writing and **must** document all subcontractors, sub-consultants and suppliers have been promptly paid for work and materials, (less any retainage by the prime contractor prior to receipt of any further progress payments). In the event the prime contractor is unable to pay subcontractors, sub-consultants or suppliers until it has received a progress payment from Fulton County, the prime contractor shall pay all subcontractors, sub-consultants or suppliers funds due from said progress payment within forty-eight (48) hours of receipt of payment from Fulton County. In no event shall a subcontractor, sub-consultant or supplier be paid later than fifteen (15) days as provided for by state law.

REQUIRED FORMS AND EBO PLAN

In order to be compliant with the intent and provisions of the Fulton County Non-Discrimination in Purchasing and Contracting Ordinance (99-0960), bidders/proposers **must** submit the following completed documents. Failure to provide this information **shall** result in the proposal being deemed non-responsive.

- Exhibit A – Promise of Non-Discrimination
- Exhibit B – Employment Report
- Exhibit C – Schedule of Intended Subcontractor Utilization
- Exhibit D – Letter of Intent to Perform as a Subcontractor or Provide Materials or Services
- Exhibit E – Declaration Regarding Subcontractors Practices

SECTION 6

SCOPE OF WORK AND PRICE SHEET

Fulton County Office of the Chaplain is soliciting bids from qualified vendors to provide interment and cremation services for the indigent on a contractual basis for the calendar year 2013.

The services provided by the cemetery are to emphasize dignity and eliminate any connotation of "pauper" status. Various aspects of the services offered, including proximity of the cemetery to the population centers within Fulton County, location and condition of the interment area(s) within the cemetery, quality and appearance of the activities to be performed, cost of the different services etc., will be evaluated as part of the determination of the most appropriate proposal.

Brochures, maps, descriptive literature, etc. are to be submitted with the proposal which will clearly depict the services and facilities to be provided as well as the areas to be used.

Note: This invitation to bid does not include any provision for headstones/markers.

Fulton County reserves the right to award this bid for cemetery services in whole or in part to one or more vendors.

No payments will be made for any items not in the submitted bid. If there are any other costs anticipated, list them clearly, indicating the cost of each. Include sufficient description and/or literature describing these items that the quality of what is being provided can be properly evaluated.

Any award made as a result of this invitation to bid will be for the calendar year 2013, effective from date of award or January 1, 2013 (whichever is later) through December 31, 2013. A single renewal option for one addition calendar year (2014) will be subject to mutual agreement of Fulton County and the vendor(s) and availability of funding. If such a renewal option is exercised, it will be under the same terms and conditions as the original award.

Fulton County reserves the right to reject any or all bids and to waive technicalities and informalities.

If any exceptions to these specifications are to be taken, they must be clearly defined in the body of the bid.

N. A successful Bidder's delivery ticket(s) and invoice(s) must list each item separately and must show Fulton County's purchase order number as well as the proper department and address to which delivery was made, as listed on the purchase order or in the Bidder's contract with Fulton County.

O. Unless clearly shown as "no substitute" or words to that effect, any items in this invitation to Bid which have been identified, described or referenced by a brand name or trade name are for reference only. Such identification is intended to be descriptive but not restrictive, and is to indicate the general quality and characteristics of products that may be offered. Each item Bid must be individually identified as to whether it is a specified item or an equivalent item by typing or printing after the item(s): The brand name; model or manufacturer's number, or identification regularly used in the trade. Deviations from the specifications must be clearly and fully listed on the Bid sheet, including photographs or cuts, specifications, and dimensions of the proposed "alternate". Fulton County is the sole judge of "exact equivalent", or "alternate". The factors to be considered are: function, design, materials, construction, workmanship, finishes, operating features, overall quality, local service facilities, warranty terms and service, and other relevant features of item(s) Bid.

P. For all Bids, Fulton County reserves the right to request representative samples. If requested, samples must be delivered at the Bidder's cost within three (3) business days. Samples are submitted at the risk of the Bidder and may be subjected to destructive tests by Fulton County. Samples must be plainly tagged with Fulton County's Bid number, item name, manufacturer, and the name of the Bidder.

Q. Item(s) Bid must be complete and ready to operate. No obvious omissions of components or necessary parts shall be made even though the specifications may not detail or mention them. Unit(s) must be furnished with factory installed equipment and must be comparable with the basic form, fit, and functional requirements which are all to be included in the base price as well as any other equipment included as standard by the manufacturer or generally provided to the buying public.

R. All successful Bidders must assume full responsibility for all item(s) damaged prior to F.O.B. Destination delivery and agree to hold harmless Fulton County of all responsibility for prosecuting damage claims.

S. All successful Bidders must assume full responsibility for replacement of all defective or damaged goods within thirty (30) days of notice by Fulton County of such defect or damage.

T. All successful Bidders must assume full responsibility for providing or ensuring warranty service on any and all items including goods, materials, or equipment provided to the County with warranty coverage. If a successful Bidder is not the manufacturer, all manufacturers' warranties must be passed through to Fulton County. The Bidder and not Fulton County is responsible for contacting the manufacturer of the warranty service provided during the warranty period and supervising the completion of the warranty service to the satisfaction of Fulton County.

U. As a successful Bidder providing any equipment which requires fitting and assembly, the Bidder shall be solely responsible for such installation being performed by a manufacturer's authorized or approved servicer or an experienced worker, utilizing workmanship of the highest caliber. The Bidder must verify all dimensions at the site, shall be responsible for their correctness, and shall be responsible for the availability of replacement parts when specified in writing by Fulton County in the specifications, purchase order, or other contract.

V. A successful Bidder is solely responsible for disposing of all wrappings, crating, and other disposable material upon delivery of item(s).

W. All Bidders are required to be authorized distributors or regularly engaged in the sale or distribution of the type of goods, materials, equipment or services for which the Bidder is submitting a Bid response in addition, all Bidders are required to provide Fulton County with three (3) written references documenting the successful completion of Bids or contracts for the types of items including goods, materials, equipment, or services for which the Bidder is submitting a Bid response. In instances where a Bidder has never supplied such goods, material, equipment, or services before, the Bidder must submit with the Bid response a statement and supporting documentation demonstrating such expertise, knowledge, or experience to establish the Bidder as a responsible Bidder, capable of meeting the Bid requirements should an award be made. No exceptions to this provision will be made unless authorized in the Bid specifications.

X. Bidders may be required to furnish evidence that they maintain permanent places of business of a type and nature compatible with their Bid proposal, and are in all respects competent and eligible vendors to fulfill the terms of the specifications. Fulton County may make such investigations as it deems necessary to determine the ability of the Bidder to perform such work, and reserves the right to reject any Bidder if evidence fails to indicate that the Bidder is qualified to carry out the obligation of the Contract and to complete the work satisfactorily.

Y. All Bidders must comply with all Fulton County Purchasing laws, policies, and procedures, non-discrimination in contracting and procurement ordinances, and relevant state and federal laws including but not limited to compliance with EEOC hiring guidelines and requirements under the Americans with Disabilities Act. Successful Bidder must obtain all permits, licenses, and inspections as required and furnish all labor, materials, insurance, equipment, tools, supervision, and incidentals necessary to accomplish the work in these specifications.

Z. If a successful Bidder is unable or unwilling to enter into a Contract with Fulton County subsequent to being granted an award, or who fails to perform in accordance with the Bid specifications the Bidder will be subject to damages and all other relief allowed by law.

AA. Successful Bidders contract directly with Fulton County and are the party or parties obligated to perform. Contracts may not be assigned and any failure to perform the Contract in accordance with the specifications will constitute a breach of Contract and may result in a Bidder being found to be "non-responsive" in the future.

BB. In case of default by the successful Bidder, Fulton County may procure the articles for services from another source and hold the successful Bidder responsible for any resulting excess cost.

CC. The County may award any Bid in whole or in part to one or more vendors or reject all Bids and/or waive any technicalities if it is in the best interests of the County to do so. In the event that all Bids are not rejected, Bids for items including goods, materials, equipment, and services will be awarded to the lowest "responsible" Bidder(s) as determined by Fulton County. Submitting the lowest Bid, as published at the Bid opening, does not constitute an award or the mutual expectation of an award of a Contract and purchase order. For purposes of this notice and the attached Bid sheets, a purchase order is a Contract to provide items including goods, materials, equipment, and services and is intended to have the full force and effect of a Contract. A breach of the terms and conditions of a purchase order constitutes a breach of Contract.

DD. Bids for projects that are solicited pursuant to the Georgia Local Government Public Works Construction Law (O.C.G.A. § 36-91-1 et seq.) may withdrawn as follows:

a. Competitive sealed Bids ("Bid") may not be revoked or withdrawn until 60 days after the time set by the governmental entity for opening of Bids. At the end of this time period, the Bid will cease to be valid, unless the Bidder provides written notice to the County prior to the scheduled expiration date that the Bid will be extended for a time period specified by the County.

EE. In the evaluation of the Bids, any award will be subject to the Bid being:

a. Compliant to the specification – meets form, fit, and function requirements stated or implied in the specification.
b. Lowest cost to the County over projected useful life.
c. Administratively Compliant – Including all required bonds, insurance, established quality of work and general reputation, financial responsibility, relevant experience, and related criteria.

FF. All proposals and Bids submitted to Fulton County are subject to the Georgia "Open Records Act", Official Code of Georgia, Annotated (O.C.G.A.) §50-18-70 et seq.

GG. All proposals and Bids submitted to Fulton County involving Utility Contracting are subject to the Georgia law governing licensing of Utility Contractors, O.C.G.A. §43-14-8.2(h). The Utility Contractor License number of the person who will perform the utility work shall be written on the face of the Bid envelope.

HH. The apparent silence of this specification, and any supplement thereto, as to details, of the omission from it of a detailed description concerning any point, will be regarded as meaning only the best commercial practices are to prevail. Only materials of the highest quality, correct type, size, and design are to be used. All interpretations of

this specification will be made upon the basis of this statement, with Fulton County interpretation to prevail.

II. It is the policy of Fulton County that the evaluation and award process for County contracts shall be free from both actual and perceived impropriety, and that contacts between potential vendors and County officials, elected officials and staff regarding pending awards of County contracts shall be prohibited.

a. No person, firm, or business entity, however situated or composed, obtaining a copy of or responding to this solicitation, shall initiate or continue any verbal or written communication regarding this solicitation with any County officer, elected official, employee, or designated County representative, between the date of the issuance of this solicitation and the date of the County Manager's recommendation to the Board of Commissioners for award of the subject contract, except as may otherwise be specifically authorized and permitted by the terms and conditions of this solicitation.

b. All verbal and written communications initiated by such person, firm, or entity regarding this solicitation, if same are authorized and permitted by the terms and conditions of this solicitation, shall be directed to the Purchasing Agent.

c. Any violation of this prohibition of the initiation or continuation of verbal or written communications with County officers, elected officials, employees, or designated County representatives shall result in a written finding by the Purchasing Agent that the submitted Bid or proposal of the person, firm, or entity in violation is "non-responsive", and same shall not be considered for award.

JJ. Any Bidder intending to respond to this solicitation as a Joint Venture must submit an executed Joint Venture Agreement with this Bid. This agreement must designate those persons or entities authorized to execute documents or otherwise bind the Joint Venture in all transactions with Fulton County, or are accompanied by a document, binding upon the Joint Venture and its constituent members, making such designation. Bids from Joint Ventures that do not include these documents will be rejected as being "non-responsive".

KK. Any Bidder intending to respond to this solicitation must complete all of the Procurement Affidavit Forms provided in this solicitation. Bids that do not include these completed documents will be rejected as being "non-responsive".

Note: This invitation to bid does not include any provision for headstones/markers.

No payments will be made for any items not in the submitted bid. If there are any other costs anticipated, list them clearly, indicating the cost of each. Include sufficient description and/or literature describing these items that the quality of what is being provided can be properly evaluated.

A single renewal option for one addition calendar year (2014) will be subject to mutual agreement of Fulton County and the vendor(s) and availability of funding. If such a renewal option is exercised, it will be under the same terms and conditions as the original award.

Fulton County reserves the right to reject any or all bids and to waive technicalities and informalities.

If any exceptions to these specifications are to be taken, they must be clearly defined in the body of the bid.

APPENDIX 1

POLICY 800-6, PROCEDURES FOR HANDLING CHANGE ORDERS

FULTON COUNTY

POLICY AND PROCEDURE

SUBJECT: Procedures for Handling Change Orders

DATE: September 19, 2001

A. STATEMENT OF POLICY:

Fulton County is committed to a policy of open, non-discriminatory and competitive purchasing. When circumstances arise after award of a contract, requiring modification of that contract, such modification will be accomplished in accordance with this Change Order Policy and Procedure, to achieve the following goals:

(1) Ensure that Fulton County does not pay more than is necessary to complete the contract;

(2) Preclude a contractor from tendering the lowest bid and then increasing the cost of the contract through the change order process;

(3) Ensure that the terms and conditions upon which the contract was awarded are met throughout the term of the contract, including any and all change orders;

(4) Ensure that the change order procedure is not used to bypass the competitive bidding process; and

(5) Ensure that change orders are not used for work that is independent of and outside the scope of the original contract.

B. BACKGROUND:

A change order is a written order from Fulton County to a contractor, directing a change within the scope of the contract and necessary for completion of the contract, in the specifications, services, time of performance or terms and conditions of the contract. A change is within the scope of a contract if it concerns the work required by the original contract documents and any subsequent change orders approved to accomplish the intent of the project as described in the solicitation documents.

A contractor is any person or entity, whether designated as a contractor, vendor, consultant or by any other title, having a contractual relationship with Fulton County. In Fulton County, except as otherwise provided in this Policy and Procedure, change orders shall be effected only through a written, bilateral agreement (Modification) between the County, acting through its Board of Commissioners, and the contractor. The Modification modifies the contract and will specify all changes to the contract and the costs thereof.

C. JUSTIFICATION FOR CHANGE ORDERS:

Change orders are authorized only for the following reasons:

(1) Situations creating an immediate need to protect the public health, safety or welfare;

(2) Corrections of deficiencies in design or construction documents provided by architects or engineers other than the contractor;

(3) Changes in applicable laws or regulations, or changes that result from public participation when such participation is mandated by laws or regulations;

(4) Concealed conditions, differing site conditions or abnormal inclement weather;

(5) Owner requested changes within the scope of the original contract. Such changes may include: deductive change orders and accommodation of value engineering and administrative matters such as closeout change orders for unit price contracts, deductions for approved material substitutions and administrative no-cost change orders.

D. CHANGE ORDER AUTHORITY: Except as otherwise provided in this procedure, change orders may be approved only by the Board of Commissioners of Fulton County. Such approval shall be demonstrated by a formal vote on the Contract Modification.

E. CHANGE ORDER PROCEDURE: The ordinary sequence of a change order is as follows:

(1) Need for contract change is identified.

(2) Contractor is requested to propose price for change and if necessary, schedule changes.

(3) Contractor and County negotiate price and scope of change.

(4) Agreement between County and contractor for change is clearly defined in a written Modification.

(5) Contractor signs Modification and returns it to County.

(6) Modification is submitted to Board of Commissioners for approval and signature.

Circumstances may alter this general description of change order procedure. The administrative actions necessary to accomplish a change order are described in Section "F" of this Policy and Procedure.

F. **ADMINISTRATIVE ACTIONS:** Department heads have primary responsibility for completion of the administrative steps necessary to complete a change order. Such responsibility may be exercised through designees and in consultation with other interested departments. Except for change orders falling under Section G, the following regular administrative procedures will govern all change orders:

(1) The department head will confirm the necessity for and the appropriateness of a change order under this procedure.

(2) The department head will submit to the contractor a written description of the proposed change and request that the contractor submit a cost proposal. The written description must provide sufficient details of the change to permit the contractor to submit a realistic price.

(3) The department head, in conjunction with the Purchasing Agent, shall review the cost proposal for general reasonableness and compliance with applicable County purchasing policies.

(4) If appropriate and necessary, the department head may negotiate the cost and scope of the proposed change with the contractor.

(5) If agreement is reached with the contractor, the terms of the agreement shall be reduced to a written Contract Modification suitable for execution by the contractor and Fulton County. The Modification shall clearly describe the changes to the contract, including any changes to the schedule and the obligations of the parties. The Modification also shall clearly describe all elements of the cost of the changes, all previous change orders and the total change to the contract cost.

(6) The department head shall submit the proposed Modification to the County Attorney for preliminary review, and to the Purchasing Agent, the Director of Finance and the Director of Contract Compliance for their review. The department head shall attach to the Modification, the documents listed in Attachment 1 to this Procedure. When change order packages are submitted to the County Attorney's Office for review, the original contract and all previous change orders must be attached.

(7) Upon completion of the reviews, the department head shall make such changes to the proposed Modification and related documents as necessary and then shall submit five copies of the Modification to the contractor for execution.

(8) The Modification, as executed by the contractor, the explanatory memorandum and the Uniform Contract/Purchasing Sign-Off Sheet (Sign-Off Sheet) shall be submitted to the County Attorney's Office for final review, to include review of the formalities of execution by the contractor.

(9) The Modification and accompanying documentation shall be submitted to the County Manager for approval and placement on the Board of Commissioners' agenda. The County Manager shall ensure that all required reviews have been

completed and that all necessary documents are attached to the Modification. However, the County Manager may disapprove a change order and return it to the department head to have the work procured through the competitive process.

(10) Following approval by the Board of Commissioners and receipt of the approval letter from the County Manager, the user department shall forward the originals (with a copy of the approval letter and the routing sheet) to the County Manager for execution. The County Manager shall forward the documents to the Chairman's Office for his/her signature. The Chairman's Office shall forward the documents to the Clerk to the Commission for his/her signature. The Clerk's Office shall retain one original for the file designated by the Board of Commissioners for filing contracts and making them available for public inspection, and shall forward one original to Purchasing and the remainder of the documents to the user department.

(11) The user department shall distribute copies of the approved and signed Modifications as set out in Section H. The Purchasing Agent shall issue any necessary purchase order modifications to the contractor and the department concerned, and the department head shall issue to the contractor any necessary notices to proceed.

G. <u>COUNTY MANAGER'S AUTHORITY</u>: In the following described situations, the County Manager is authorized to approve change orders and authorize the commencement of work pursuant to such change orders, subject to ratification by the Board of Commissioners. The Board of Commissioners will not withhold ratification unless there is credible evidence showing that the contractor induced or procured the change order by fraud.

(1) Change orders less than 10% of original contract amount:

(a) The County Manager is authorized to approve change orders having a total cost that is less than 10% of the original contract cost. A change order may be approved under this procedure if its cost, when combined with that of all previous change orders to the same contract, is an amount less than 10% of the original contract cost. The County Manager may decline to exercise this authority and return change orders for processing through the regular change order procedure, or may direct that the work be procured through the competitive process.

(b) Change orders submitted under this authority shall be processed according to the regular administrative procedure described in the preceding Section F, up through Step (8).

The procedure thereafter shall be as follows, substituting the numbered steps below:

(9) The Modification and required documentation shall be submitted to the County Manager for approval. The County Manager shall review the documents for compliance with this Policy and Procedure and the completion

of all required reviews. The County Manager may decline to exercise the authority to approve the change order and may either submit it to the Board of Commissioners under the regular administrative procedure or return it to the department head to procure the work through the competitive process.

(10) The County Manager shall document approval of the change order by signature on the Sign-Off Sheet and shall notify the user department and the Purchasing Agent of such approval. The department head and the Purchasing Agent shall issue any necessary notices to proceed and purchase order amendments. Work may proceed upon approval by the County Manager.

(11) Not more than sixty (60) days following approval of a change order under this authority, the County Manager shall have it spread on the minutes by placing it on the consent agenda and subsequently obtaining the signature of the Chairman of the Board of Commissioners on the Modification. The user department shall distribute copies of the executed Modification as stipulated under the regular procedure.

(2) Extraordinary Circumstances:

(a) The County Manager is authorized to approve change orders regardless of the amount when due to extraordinary circumstances, work must be implemented before the Board of Commissioners can act. The County Manager may decline to exercise the authority granted hereunder and may require that the change order be submitted under the regular procedure, or he/she may direct that the work be procured through the competitive process.

(b) The authority granted in this section may be exercised when immediate action must be taken to protect the County's interests, and only under the following circumstances (in addition to meeting the requirements of Section C):

(i) Threat to public health, welfare or safety; or

(ii) Threat of litigation when it appears likely that litigation will be commenced and that Fulton County's legal position may be compromised by delay in implementing the change order. Change orders citing this circumstance must be approved by the Office of the County Attorney; or

(iii) Loss of substantial resources due to delay, including delay to critical path schedule.

(c) Department heads proceeding under this authority must comply with as much of the procedure set out in Section G (1) as the situation will permit.

(d) At a minimum, the following procedures must be observed:

(i) The contractor shall execute a written contract Modification that clearly describes the work to be done and its cost. If costs cannot be fully detailed due to the exigencies of the situation, the Modification must set out a maximum cost and state that the cost will be definitized in a final change order.

(ii) The department head shall obtain the approval of the Purchasing Agent, prior to submitting the change order to the County Manager.

(iii) The work may proceed upon approval by the County Manager. The department head shall prepare all other documentation normally required for a change order, including completion of the Sign-0ff Sheet.

(iv) Not later than sixty (60) days following approval of the change order, the County Manager shall place the change order on the consent agenda.

(v) In cases of change orders without definitized costs under Subsection (i) above, the department head shall commence processing a final change order as soon as circumstances permit.
