Questions

Question: There are 20 schools listed. Does this mean that there are two (2) for each school, one for each direction?

Answer: Yes

Question: The specification call for all warranty repairs to be completed in a 24 hour period. In addition, it also states that if a failure occurs before the warranty period is over the product must be replaced in 24 hours. This leads me to believe any supplier would need to stock items in place if any of these conditions happen.

Answer: Yes, that is correct.

Clarification: Section 4 Scope of Work (C) Construction

Construction labor will be provided by Fulton County employees.

Clarification: Section 2 Bid Bond , Payment and Performance Bond

The requirement for Bid, Payment and Performance bonds is deleted from this Invitation to Bid (ITB). See revised bid submittal check sheet attached.
