This Addendum forms a part of the contract documents and **modifies** the original ITB documents as noted below:

1. Please explain the underlining purpose of the most recent addendum sent Thursday, December 12, 2013, for better clarity.

Response: We separated the bid tab sheet because there are two different scopes of work. Some pool companies provide either water chemical treatment or provide maintenance on the dehumidification unit. This will allow greater response to the situation.

2. Is it necessary to send in the names and credentials of the subcontracting company at the time the bid is submitted...December 18, 2013 by 11a.m.?

Response: Yes, by January 8, 2014 at 11:00 A.M.

3. How and/or where can I access past yearly expense for South Fulton Welcome All Park lap and Splash pools... or the past/present awarded contractor's bid submittal.

Response: No information is available.

4. What is the purpose of having one vendor for the 3 major components (Pool service/maintenance & repair, Heating, and humidifying system maintenance & repair)?

Response: The Addendum 3 addressed that by separating the cost in the Bid Form

b) What is the liability level of the general contractor?

Response: See Section 4: Insurance and Risk Management Provisions

5. Please give a quick and brief explanation of #20 in the bid description "Execution of Contract Document" for better clarity.

Response: Once the Board of Commissioner's approved the award of contract. The Purchasing Department will issue the contract to the awardee and they have 10 working days to review signed the contract agreement.

- 6. Are you requesting the awarded contractor to also be liable for any electricity service and/or repairs needed for the pools and/or natatorium (pool deck)?

Response: Fulton County will be responsible to provide power at the required ratings, at the location needed. However repair of any electrical equipment related to pool, connected to these outlets will be the responsibility of the vendor.

- 7. I am aware that the county has up to sixty days after the bid deadline...realistically, how soon are you looking to issue the bid award?

Response: Within 30 to 60 days.
