Mr. Jerome Noble
Director

ADDENDUM #1
BID # 05ITB11125YB
Wrecker/Towing Services-South Fulton County
Fulton County, Georgia

September 27, 2005

Dear Vendors:

This addendum is in reference to Bid Number 05ITB11125YB, for furnishing the Fulton County Police Department with towing services.

This addendum is for the purpose of answering questions raised concerning the specifications:

1. We intend to use a temp agency for "day labor". Do they need to complete the Sub-Contractor forms also? Normally it will be one specific company.

Yes. Temp agency would need to fill out the Exhibit forms. The temp agency should have an idea of the dollar value that will be spent for man power up front.

2. Pg. 48 of 53 - Last paragraph - Is this the company name and address or the contact person? Also, should this include the sub-contractors information as well?

The question at the bottom of page 48 seeks the names and addresses of the owner(s), principal partners or officers (whichever is applicable) of the bidding company. It does not include subcontractors.

3. Could you please verify the date and time the contract is due.

All bids are due to the Purchasing Department by Tuesday, October 11, 2005 by 11:00 A.M.

Note: If you have already submitted your bid response and you do not wish to make any changes, you may return this addendum only.

The undersigned bidder acknowledges receipt of this addendum by returning a signed copy by the due date and time. Failure to return a signed copy of this addendum could render your bid non-responsive.

Except as provided herein, all other terms and conditions in the bid referenced above remain unchanged and in full force and effect.

Cordially,

Brian Richmond
Procurement Officer
