QUESTIONS AND ANSWERS:

Is there a list of equipment that these parts go on, some of the part numbers you have, I have the same number but different descriptions?

Response: See Exhibit A (Attached)

I was reading contract bid number: 05ITB45665A-TD. Section 5 Technical Specification. Are these part numbers for a John Deere or a Ford tractor, also I need model numbers of equipment because some of these parts can fit different model numbers on equipment.

Response: See Exhibit A (Attached)
