Item No. 1: Delete Article 3.2 and items A, B and C, on page 3-1 in their entirety and replace with the following new Article 3.2, A, B & C as follows:

**3.2 OVERVIEW OF QUALIFICATION REQUIREMENTS**

- A. Qualifications shall be submitted in accordance with the content and format requirements set forth in this RFQ. Qualifications should be clearly organized and structured in a manner allowing materials included in the document to be located easily.
- B. Each of the instructions set forth in this section must be followed for a qualification submittal to be deemed responsive to this RFQ. In all cases, the County reserves the right to determine, at its sole discretion, whether any aspect of the qualification submittal meets the requirements set forth in this section. The County reserves the right to reject any qualification submittal, which in its judgment, does not comply with these Proposal submission requirements.
- C. Qualification submittals will be evaluated according to percentage weights, totaling to 100 points, assigned to the following criteria, listed in order of relative importance.

Item No. 2: Delete Section 2 Qualifications and Experience, 1<sup>st</sup> paragraph, on page 3-3 its entirety and replace with the following new first paragraph as follows::

***Section 2 – Qualifications and Experience***

This section of the qualification submittal must present information about the Proposer. The qualification submittal shall include details about the type of firm or organization such as, corporation, partnership, Limited Liability Company, joint venture or design or construction prime that will execute and deliver the Project, including ownership and management structure. The use of the term Proposer or Respondent submitting the qualifications shall provide the information for consultants and major sub-contractors for mechanical, electrical, control systems and plumbing.
