### Addendum 1 RFP Number 06RFP001K-NLH Design Services for Riverside Road Pump Station Upgrades – S109

January 17, 2006

Dear Vendor:

**Please note: A site visit to Riverside Pump Station has been scheduled for Monday, January 23, 2006 at 10:00 am.**

The following information is offered in response to vendor questions and requests for clarification or information.

**Question:** Article 8 of the sample contract indicates the term of the contract will be 2 years, but paragraph 2.5 of the RFP indicates a 36 month term. I note also that par 2.5 specifically states that the term will extend thru the construction period, but the General Scope of Services listed on page 1-6 of the RFP doesn't indicate any tasks related to construction management or oversight. Can you clarify?

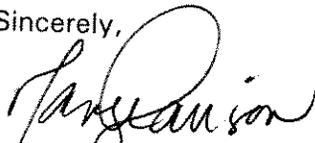

**Response:** The **term is 36 months** as stated in the RFP document. The General Scope of Service on page 1-6 is just that, **a brief General description**, for the detailed scope please refer to section 1.6 Project Tasks page 1-15, **Task 10** which does specify Construction Activities.

**Question:** The indemnification clause at Article 21 of the sample contract is entirely different than the indemnification clause at page 7-2 of the RFP. The insurance clause at Article 25 of the sample contract is substantially different than the insurance provisions specified on page 7-1 of the RFP. Can you tell me which provisions should apply?

**Response:** The indemnification clause section 7-2 is for Insurance Provisions while the indemnification clause of article 21 of the contract refers to the entire project. Also any differences in the insurance provisions from the sample contract to the RFP will be conformed to adhere to the RFP documents once awarded.

Should you require any additional information, please contact Nancy Harrison, Assistant Purchasing Agent, at 404 730 4201. Except as provided herein, all terms and conditions in the proposal referenced above remain unchanged and in full force and effect.

Sincerely,
