**07RFP22071YA-DR Operational Risk Assessment  
Addendum No. 1  
Page Two**

This Addendum forms a part of the contract documents and **modifies** the original RFP documents as noted below:

In accordance with the request for clarification provision of Paragraph 1.7 of the subject RFP:

1. Is the Operational Risk Assessment limited to the 9-story Justice Center Complex or are there any associated buildings or facilities included?

The Justice Center Complex (JCC) is comprised of the Justice Center tower, the Lewis B. Slaton Courthouse, and the Charles L. Carnes Justice Center Building.

2. Are there any areas within the complex to be excluded from the Risk Assessment, such as prisoner transfer and holding areas, or contracted operations such as cafeterias, child development centers, etc.?

The Risk Assessment will include all the areas within the JCC.

3. Are any external areas to be included, such as parking areas?

The immediate city streets surrounding the JCC will be included.

4. Paragraph 2.2 A, 4 states: "Cost Estimate: Provide programming cost estimate for physical security-related recommendations, in a form acceptable to the County..." Can you provide clarification as what form would be acceptable to the County?

The Cost Estimate form and associated information for programming and budgetary purposes will be developed with the selected consultant.

5. Paragraph 5.3 - can you please confirm that the sample contract does not have to be returned with the proposal?

The sample contract form is provided for the consultant's information and familiarization only and is not required as part of the proposal submittal.
