This Addendum forms a part of the contract documents and answers questions asked by an interested vendors:

Question: I am very interested in responding to your bid 11ITB75925YB-BR, However there is a requirement that states a vendor can not be located more than 30 miles away. We provide an extremely high quality installation service to many agencies in Georgia and surrounding states. We are one of the nation's largest providers and installers of equipment for public service agencies. Our customers would be willing to provide references to assure you of the statements we make. Our team is dedicated to the highest quality and would like the opportunity to serve your agency. I ask your consideration in reviewing our proposal and allowing our references to speak for us.

Answer: We place the 30 mile restriction on most service contracts in an effort to reduce out of service times and minimize fuels and travel costs for fleet personnel who have to shuttle cars to and from our facilities to the shop.
