Addendum No. 1

This Addendum forms a part of the contract documents, it answers questions asked by interested vendors and makes a change to the specifications:

1. **Question:** Are we to use the sample contract online as our copy to turn in, or do we pick up an official application on Peachtree St?

Answer: The sample contract is for informational purposes only. It is there as a sample of how the resulting contract will appear.

2. **Question:** I have a question about the Federal Work Authorization Program. Where do we register our company?

Answer: Fulton County Government participates in the Federal E-Verify Program which is an internet based system that allows businesses to determine the eligibility of their employees to work in the United States. Fulton County is required to post its Federal ID Number and the date of registration with E-Verify on its website.

Background

Senate Bill 529, the "Georgia Security and Immigration Compliance Act" of 2006, established a new work eligibility verification requirements for Fulton County and its contractors and subcontractors, effective July 1, 2007. The Act further prohibited the provision of certain services or benefits to any adult without a verification of their immigration status. Additionally, GSCIA required the County to make a reasonable effort to verify the immigration status of any foreign national charged with and jailed for a felony or DUI.

House Bill 2 requires counties to register and participate in the federal work authorization program for all new employees and requires that in order for all bids for services to be considered, that the bid shall include a signed, notarized affidavit from contractor and any subcontractors. It also requires counties to report via the Systematic Aliens Verification of Entitlement (SAVE) program for non-US citizens who apply for a public benefit defined under the law.

In compliance with Georgia Law, the Fulton County Board of Commissioners on December 2, 2009, established Policies and Procedures for the implementation of the requirements of the Act.
