Title

1. I am writing in regards to the bid for Cytology Laboratory Services. I noticed that courier service was required as part of the bid. We are a cytology lab that would like to place a bid, however, we do not offer courier services. We receive our specimens through a prepaid mailing system and can meet your requested turn around time of 10-15 working days. We also offer Internet Reporting which also shortens our turn around time.

Response: They would not qualify because there must/shall be a courier service provided on a daily basis.

2. In regards to the Cytology Laboratory Services bid, we would like to know whether the laboratory services that we are bidding on include liquid based pap smears or conventional pap smears?

Response: Conventional pap smears only.
