This Addendum forms a part of the contract documents and **modifies** the original ITB documents as noted below:

Please be advised that the following questions have been asked of the aforementioned ITB:

Question 1:

1.) Red Hat Linux:

- How many independent instances are required to operate concurrently?
- Are subscription updates included?
- Is Fulton County planning to utilize existing Red Hat contracts?

Answer 1:

To clarify and update requirements regarding Red Hat Linux...We are asking for media kit for Red Hat Enterprise Linux Advanced Platform v5(unlimited sockets), AND ALSO Red Hat Advanced Platform Premium Level Support Subscription which includes 1 year of Web and 24x7 telephone support for Itanium (unlimited sockets) for each of the 2 servers.

Question 2:

2.) What type of High Availability options?

- Redundant Memory
- Redundant Service Processors
- Storage Path Management
- Others?

Answer 2:

No provision is being made for high availability on the production servers. Instead we are developing a disaster recovery strategy which is outside the scope of this bid.

Question 3:

3.) What is the RPM of the HDD? (0K/15K)

Answer 3:

10K is the RPM on the specified drives.

Question 4:

4.) Service:

- What is the required response time? 2Hr. / 4Hr..?
 - > Telephone Support
 - > On-site
- How many staff will be trained on operation?
- Is training expected on-site or will Fulton County staff travel to an authorized NEC facility?
- Either way - are travel costs included?

Answer 4:

Our specifications require 24/7 telephone support AND 24/7 2 hour on-site response maintenance for 12 months to be included in purchase price. The number of designated staff requiring the specified training is expected to be between 1 and 4 persons. It will not exceed 6 persons. All training is preferred to be on-site. However if sufficient knowledge transfer cannot completely take place during on-site installation, Fulton County is agreeable to off-site training provided that it does not require trainees to travel beyond the metropolitan area of Atlanta Georgia. Fulton County will pay no training costs, travel costs, or other expenses beyond the purchase price awarded in the successful bid.

Question 5:

5.) Is Fulton County able to act as a customer reference?

Answer 5: Yes
