**08ITB60202B-TR Indigent Health Care Survey
Addendum No. 1
Page Two**

This Addendum forms a part of the contract documents and **modifies** the original ITB documents as noted below:

The following questions were posed against the aforementioned bid.

Question # 1:

What is the dollar amount or indicator that the Dept. of Health and Wellness is using to define lower socioeconomic residents?

Response # 1:

The indicator is roughly 200% of FPL or below as it applies to individuals, households or families.

Question # 2:

Are you looking for one thousand (1000) households or one thousand (1000) residents to respond to the survey?

Response # 2:

We are looking for one thousand (1000) households.

Question # 3:

If you are looking for households, do the survey respondents have to be the head of the household?

Response # 3:

We are looking for the person '**most knowledgeable**' on the responses to questions for all residents.

Question # 4:

If you are looking for residents...can more than one person in a household respond to the survey?

Response # 4:

We are looking for up to eight (8) residents. Our suggestion would be to have selection criteria for households over eight (8) based on a random selection of non-nuclear or non-family members.
