14ITB93323B-TR EMC HARDWARE AND SUPPORT
Addendum No. 2
Page Two

This Addendum forms a part of the contract documents and **modifies** the original ITB documents as noted below:

The following questions were posed of the aforementioned ITB project:

QUESTION 1: To quote this requirement we would need the EMC part nos. and the quantities that need to be quoted?

ANSWER 1: A VAR responding to this ITB does not need EMC part numbers. The ITB is divided into categories of EMC products and services. Fulton County is unsure at this time what specific products they will be purchasing out of each category. Each category will be priced with a discount % off of the list price from the EMC price catalog as it relates to that category of products or services. The VAR would need to contact their EMC rep and discuss the categories to understand how to correctly prepare their pricing response.

ACKNOWLEDGEMENT OF ADDENDUM No. 2

The undersigned proposer acknowledges receipt of this addendum by returning one (1) copy of this form with the proposal package to the Purchasing Department, Fulton County Public Safety Building, 130 Peachtree Street, Suite 1168, Atlanta, Georgia 30303 by the ITB due date and time **Tuesday, June 17, 2014 at 11:00 A.M.**

This is to acknowledge receipt of Addendum No. 2, _____ day of _____, 2014.
