Fulton County Receives Additional Nasal Spray Vaccine

Fulton County has received an additional supply of the H1N1 nasal spray vaccine to provide protection against the flu virus. The nasal spray vaccine is available for healthy 2 – 49 year olds. Residents can get the vaccine at county health centers. There is no out-of-pocket cost to the client.

Please note the location change for the Sandy Springs Health Center*. On Friday, November 6, 2009, the Sandy Springs location for the H1N1 vaccine will be open from 10am – 5pm. Beginning Monday, November 9, 2009, all locations will be open from 9am – 5pm for the H1N1 vaccination.

Adamsville Health Center	3699 Bakers Ferry Rd., SW, Atlanta	404-699-4215
Center Hill Health Center	3201 Atlanta Indus. Pkwy, Atlanta	404-699-6370
