To: The Fulton County Fire Station #13

GREETINGS:

It is my great pleasure to recognize your exceptional service to the State of Georgia, especially during the 2014 snow storms. On behalf of a grateful state, I thank you for the outstanding example you have set as you placed the needs of our citizens above your own.

As one of Georgia's many valued emergency responders, you fulfill a noble and vital purpose in our state. I greatly appreciate your service and the exceptional work you rendered to the citizens during the recent snow storm, providing around the clock care and attention for many days. You deserve to be commended, and I know our citizens are immensely grateful as well. Our state is fortunate to have such outstanding emergency responders like you who daily serve, both directly and indirectly, the people by making Georgia a safer place to live.

The kindness and sacrifice you have shown during this precarious event will not be forgotten.

Sincerely,

Nathan Deal
