Page: 5466

(said amendment being set out at Ga. L. 1984, p. 1703 et seq.) there is created one or more community improvement districts to be located in Fulton County, Georgia, wholly within the unincorporated area thereof, each of which shall be activated upon compliance with the conditions hereinafter provided and which shall be governed by a board as hereinafter constituted. The conditions for such activation shall be:

(1) The adoption of a resolution consenting to the creation of each community improvement district by the Fulton County Board of Commissioners, which resolution shall impose such conditions on the projects and activities which may be undertaken as will ensure their compatibility with adopted county policies and planning for the area; and

(2) Written consent to the creation of the community improvement district by:

(A) A majority of the owners of real property within the district which will be subject to taxes, fees, and assessments levied by the board of the district;

(B) The owners of real property within the district which constitutes at least 75 percent by value of all real property within the district which will be subject to taxes, fees, and assessments levied by the board and for this purpose value shall be determined by the most recent approved county ad valorem tax digest; and

(C) The written consent provided for above shall be submitted to the Fulton County Tax Commissioner who shall certify whether subparagraphs (A) and (B) of this paragraph have been satisfied with respect to each such proposed district.

No district or board created hereunder shall transact any business or exercise any powers hereunder until the foregoing conditions are met. A copy of such resolutions shall be filed with the Secretary of State who shall maintain a record of

all districts activated hereunder and a second copy shall be filed with the Department of Community Affairs.

Section 5. Administration, appointment, and election of board members. (a) Each district created pursuant hereto shall be administered by a board composed of seven members to be appointed and elected as hereinafter provided. Two board members shall be appointed by the Fulton County Board of Commissioners and the remaining board members shall be elected by the owners of real property within the district subject to taxes, fees, and assessments levied by the board. The appointed board members shall serve at the pleasure of the governing body which appointed same, respectively. The initial elected board members shall serve for terms of office as follows: two shall serve for two years, and the remaining board members shall serve for four years. Thereafter, all terms of office shall be for four years, except the appointed members who serve at the pleasure of the governing body which appointed them.

(b) The initial board members to be elected as provided herein shall be elected in a caucus of electors which shall be held within 60 days after the adoption of the resolutions and obtaining the written consents herein provided at such time and place within the district as the Fulton County Board of Commissioners shall designate after notice thereof shall have been given to said electors by 1) publishing same in the legal organ of Fulton County as hereinafter provided and 2) contacting each elector by U.S. mail at the address indicated in the property tax rolls. Thereafter, there shall be conducted biennially, not later than 60 days following the last day for filing ad valorem property tax returns in Fulton County, a caucus of said electors at such time and place within the district as the board shall designate in such notice for the purpose of electing board members to those positions which have terms expiring or are vacant. If a vacancy occurs in an elected position on the board, the board shall, within 60 days thereafter, call a special election to fill the same to be held within 60 days of the call unless such vacancy occurs within 180 days of the next regularly scheduled election, in which case a special election may, but need not, be called. For any election held hereunder, notice of said election shall be given the electors by 1) publishing notice thereof in the legal organ of Fulton County on four dates at least 45

days, 31 days, 17 days, and 10 days, respectively, prior to such election, and 2) by contacting each elector at least 31 days prior to such election by U.S. mail at the address indicated in the property tax rolls.

(c) The elected board members shall be subject to recall as any other elected public official by the electors hereinabove defined.

(d) Elected board members shall be elected within the district. If such a board member ceases to be an elector, such board member's position shall be declared vacant as of the date of the event terminating such status.

(e) The board members shall receive no compensation for their services but shall be reimbursed for actual expenses incurred in the performance of their duties. They shall elect one of their members as chairman and another as vice-chairman and shall also elect a secretary and a treasurer or a secretary-treasurer, either of whom may but need not be a member of the board.

Section 6. Taxes, fees, and assessments. (a) The board may levy taxes, fees, and assessments within the district only on real property, specifically excluding all property exempt from ad valorem taxation under the Constitution or laws of the State of Georgia and all property used for residential, agricultural, or forestry purposes and specifically excluding tangible personal property and intangible property. Any tax, fee, or assessment so levied shall not exceed 2 1/2 percent of the aggregate assessed value of all such real property. The taxes, fees, and assessments levied by the board upon the properties shall be equitably apportioned among the properties according to the need for governmental services and facilities created by the degree of density of development within the district and not for the purpose of providing those governmental services and facilities provided to the county or municipality as a whole. Any tax, fee, or assessment so levied shall be collected by Fulton County in the same manner as taxes, fees, and assessments are levied by the county. Delinquent taxes shall bear the same interest and penalties as Fulton County ad valorem taxes and may be enforced and collected in the same manner. The proceeds of taxes, fees, and assessments

Page: 5469

so levied, less a fee to cover the costs of collection of 1 percent thereof, but not more than \$25,000.00 in any one calendar year, shall be transmitted by Fulton County to the board and shall be expended by the board only for the purposes authorized hereby.

(b) The board shall levy the above-provided taxes between January 1 and June 1 each calendar year and notify in writing the collecting governing body by June 15 each year so it may include the levy on its regular ad valorem tax bills.

(c) If a parcel of real property is removed from a district or otherwise would become nontaxable it shall continue to bear its tax millage then extant upon such event for bonded indebtedness of the district then outstanding until said bonded indebtedness then outstanding is paid or refunded.

Section 7. Boundaries of the districts. (a) The boundaries of each district shall be as designated as such by the Fulton County Board of Commissioners as set forth in the resolutions required in Section 4 hereof, or as may thereafter be added as hereinafter provided.

(b) The boundaries of a district may be increased after the initial creation of a district pursuant to the following:

(1) Written consent of a majority of the owners of real property within the area sought to be annexed and which will be subject to taxes, fees, and assessments levied by the board of the district is first obtained;

(3) The adoption of a resolution consenting to the annexation by the board of the district; and

Page: 5470

(4) The adoption of a resolution consenting to the annexation by the governing authority of Fulton County.

Section 8. Debt. Each district may incur debt without regard to the requirements of Article IX, Section V of the Constitution of Georgia, or any other provision of law prohibiting or restricting the borrowing of money or the creation of debt by political subdivisions of the State of Georgia, which debt shall be backed by the full faith, credit, and taxing power of the district but shall not be an obligation of the State of Georgia or any other unit of government of the State of Georgia other than the district.

Section 9. Cooperation with local governments. The services and facilities provided pursuant hereto shall be provided for in a cooperation agreement executed jointly by the board and the governing body of Fulton County. The provisions of this section shall in no way limit the authority of Fulton County to provide services or facilities within the district; and Fulton County shall retain full and complete authority and control over any of its facilities located within any district. Said control shall include but not be limited to the modification of, access to, and degree and type of services provided through or by facilities of the county. Nothing contained in this section shall be construed to limit or preempt the application of any governmental laws, ordinances, resolutions, or regulations to the district or the services or facilities provided therein.

Section 10. Board, district powers. (a) Each district and its board created pursuant hereto shall have all of the powers necessary or convenient to carry out and effectuate the purposes and provisions hereof, including, without limiting the generality of the foregoing, the power:

(1) To bring and defend actions;

(17) To exercise any power granted by the laws of this state to public or private corporations which is not in conflict with the public purposes of the district; and

(18) To do all things necessary or convenient to carry out the powers conferred hereby.

(b) The powers enumerated in each paragraph of this section are cumulative of and in addition to those powers enumerated herein and elsewhere in this Act; and no such power limits or restricts any other power of the board.

Section 11. Bonds - generally. (a) Notes or other obligations issued by a district, other than general obligation bonds, shall be paid solely from the property pledged to pay such notes or other obligations. General obligation bonds issued by any district shall constitute a general obligation of the district to the repayment of which the full faith, credit, and taxing power of the district shall be pledged.

(b) All bonds, notes, and other obligations of any district shall be authorized by resolution of its board.

(c) Bonds, notes, or other obligations shall bear such date or dates, shall mature at such time or times (not more than 40 years from their respective dates), shall bear interest at such rate or rates (which may be fixed or may fluctuate or otherwise change from time to time), shall be subject to redemption on such terms, and shall contain such other terms, provisions, covenants,

Page: 5474

assignments, and conditions as the resolution authorizing the issuance of such bonds, notes, or other obligations may permit or provide. The terms, provisions, covenants, assignments, and conditions contained in or provided or permitted by any resolution of the board authorizing the issuance of such bonds, notes, or other obligations shall bind the board members of the district then in office and their successors.

(d) The board shall have power from time to time and whenever it deems it expedient to refund any bonds by the issuance of new bonds, whether or not the bonds to be refunded have matured, and may issue bonds partly to refund bonds then outstanding and partly for any other purpose permitted hereunder. The refunding bonds may be exchanged for the bonds to be refunded, with such cash adjustments as may be agreed upon, or may be sold and the proceeds applied to the purchase or redemption of the bonds to be refunded.

(e) There shall be no limitation upon the interest rates of any maximum interest rate or rates on any bonds, notes, or other obligations of the district; and the usury laws of this state shall not apply to bonds, notes, or other obligations of these districts.

(f) Bonds issued by a district may be in such form, either coupon or fully registered, or both coupon and fully registered, and may be subject to such exchangeability and transferability provisions as the bond resolution authorizing the issuance of such bonds or any indenture or trust agreement may provide.

(g) Bonds shall bear a certificate of validation. The signature of the clerk of the Superior Court of Fulton County may be made on the certificate of validation of such bonds by facsimile or by manual execution, stating the date on which such bonds were validated; and such entry shall be original evidence in any court in this state.

(h) In lieu of specifying the rate or rates of interest which such bonds are to bear, and the principal amount and maturities of such said bonds, the notice to the district attorney or the Attorney General, the notice to the public of the time, place, and date of the validation hearing, and the petition and complaint for validation may state that the bonds when issued will bear

Page: 5475

interest at a rate not exceeding a maximum per annum rate of interest (which may be fixed or may fluctuate or otherwise change from time to time) and that the principal amount will not exceed and the final maturity date will not be later than as specified in such notices and petition and complaint or may state that, in the event the bonds are to bear different rates of interest for different maturity dates,

none of such rates will exceed the maximum rate (which may be fixed or may fluctuate or otherwise change from time to time) so specified; provided, however, that nothing in this section shall be construed as prohibiting or restricting the right of a board to sell such bonds at a discount, even if in doing so the effective interest cost resulting therefrom would exceed the maximum per annum interest rate specified in such notices and in the petition and complaint.

(i) The terms "cost of the project" and "cost of any project" shall have the meaning prescribed herein whenever those terms are referred to in bond resolutions of a board, in bonds, notes, or other obligations of the districts, or in notices of proceedings to validate such bonds, notes, or other obligations of a district.

Section 12. Authorized contents of agreements and instruments of the board generally; use of proceeds of sale of bonds, notes, etc.; subsequent issues of bonds, notes, etc. (a) Subject to the limitations and procedures provided by this section and by the immediately preceding section, the agreements or instruments executed by a board may contain such provisions not inconsistent with law as shall be determined by such board.

(b) The proceeds derived from the sale of all bonds, notes, and other obligations issued by a district shall be held and used for the ultimate purpose of paying, directly or indirectly as permitted herein, all or part of the cost of any project, or for the purpose of refunding any bonds, notes, or other obligations issued in accordance hereunder.

(c) Issuance by a board of one or more series of bonds, notes, or other obligations for one or more purposes shall not preclude it from issuing other bonds, notes, or other obligations in connection with the same project or with any other project; but the proceeding wherein any subsequent bonds, notes, or other obligations are issued shall recognize and protect any prior loan agreement, security agreement, or other agreement or instrument

Page: 5476

made for any prior issue of bonds, notes, or other obligations, unless in the resolution authorizing such prior issue the right is expressly reserved to the board to issue subsequent bonds, notes, or other obligations on a parity with such prior issue.

Section 13. Construction; applicability of Chapter 5 of Title 10 of the O.C.G.A., the "Georgia Securities Act of 1973"; notice, proceeding, publication, referendum. This Act shall be liberally construed to effect the purposes hereof. The offer, sale, or issuance of bonds, notes, or other obligations by a district shall not be subject to regulation under Chapter 5 of Title 10 of the O.C.G.A., the "Georgia Securities Act of 1973." No notice, proceeding, or publication except those required hereby shall be necessary to the performance of any act authorized hereby, nor shall any such act be subject to referendum.

Section 14. Dissolution. (a) Any district activated under the provisions of this Act may be dissolved. The conditions for such dissolution shall be:

(1) The adoption of a resolution approving of the dissolution of each community improvement district by the Fulton County Board of Commissioners; and

(2) The written consent to the dissolution of the community improvement district by:

(A) Two-thirds (67 percent) of the owners of real property within the district which are subject to taxes, fees, and assessments levied by the board of the district;

(B) The owners of real property constituting at least 75 percent by value of all real property within the district which are to be subject to taxes, fees, and assessments levied by the board and for this purpose value shall be determined by the most recent approved county ad valorem tax digest; and

(C) The written consent provided for above shall be submitted to the Fulton County tax commissioner, who shall certify whether subparagraphs (A) and (B) of this

Page: 5477

paragraph have been satisfied with respect to each proposed district dissolution.

(b) In the event that successful action is taken pursuant to this section to dissolve the district, the dissolution shall become effective at such time as all debt obligations of the district have been satisfied. Following a successful dissolution action and until the dissolution becomes effective no new projects may be undertaken, obligations or debts incurred, or property acquired.

(c) When a dissolution becomes effective, the county governing authority shall take title to all property previously in the ownership of the district and all taxes, fees, and assessments of the district shall cease to be levied and collected.

(d) A district may be reactivated in the same manner as an original activation.

Section 15. Repealer. All laws and parts of laws in conflict with this Act are repealed.
