LDP #: _____

Building Permit #: _____

Wall Permit #: _____

Number of Walls: _____ Date of Plans: _____

Description and Location of Walls: _____

I, _____, being a registered professional engineer in the State of Georgia, P.E. # _____, and being duly competent as regards retaining wall design and construction, and knowledgeable of the requirements of Fulton County development standards and ordinances, hereby certify with my signature below:

- That the designs and plans prepared under my supervision being submitted herewith for retaining wall(s) have been performed in a manner consistent with that degree of care and skill ordinarily exercised by members of the engineering profession currently practicing under similar circumstances; and that said retaining walls:
 - Provide(s) factors of safety for sliding, bearing, overturning, and global stability of 1.5, 2.0, 2.0, and 1.5 respectively, and 1.5 for geogrid pullout and rupture if a geogrid wall design;
 - Is/are in good practice as regards drainage and structural stability;
 - Is/are not designed to result in disturbance or erosion to other properties;
 - Do/does not block, cross, or eliminate access to any easement, buffer, setback, detention/retention pond, or tree save area;
- And that I have advised the owner listed above that said wall(s) must be constructed under the supervision of a qualified and registered professional engineer and licensed contractor so as to result in a safe and code-conforming installation.

I hereby acknowledge that Fulton County will issue this permit based upon my design.

Signature: _____ Date: _____

OWNER CERTIFICATION / INDEMNIFICATION FOR RETAINING WALLS

I, _____, being the owner of said property, or a representative for same, hereby certify with my signature below: that the plans being submitted herewith for retaining wall(s) will not result in disturbance or erosion to other properties; do/does not block, cross, or eliminate access to any easement, buffer, setback, detention/retention pond, or tree save area; will be constructed under the supervision of a qualified and registered design professional and licensed contractor; and will result in a safe and code-conforming installation. As the owner or his/her representative, I certify that the owner hereby indemnifies and holds Fulton County harmless from any and all claims resulting from the issuance of the permit.
