

National Restaurant Association Educational Foundation
One-Day SERVSAFE Seminar Dates for 2016

**February 23, March 29, April 26, May 24, June 28, July 26, August 30, September 27,
October 25, November 29, and December 20, 2014**

Attendees are trained and given the **SERVSAFE Food Protection Manager Certification Examination**, which is recognized by the International Food Safety Council. Ninety-five percent (95%) of all state and local health jurisdictions recognize **SERVSAFE** as meeting their requirements for safe food handling.

Participants will learn about potentially hazardous foods and safe food handling practices, the Hazard Analysis Critical Control Point (HACCP) system of food safety, establishing purchasing and receiving standards and procedures.

The one-day certification course is designed for all food service managers, owners, chefs, kitchen and dietary managers, dieticians, and others who need food safety training and certification, but are not planning on training and testing others in their organizations.
