Fulton County Housing and Community Development federal funded programs continue the relationship with the Atlanta Workforce Development Agency (AWDA). AWDA's primary purpose is to administer employment and training programs mandated under the Workforce Investment Act (WIA) of 1998 to the citizens of Atlanta including Fulton Count's residents to offer workforce solution services to the metro area businesses.

Additionally, for all projects during each pre-bid and pre-construction conference a Section 3 flyer is handed out to all contractors. CDBG project managers also discussed and encouraged the hiring of Section 3 eligible workers at the pre-bid meetings and directly with the primary contractors once they are selected.
