INTRODUCTION

Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color or national origin under any program or activity receiving Federal Financial Assistance (FFA). Title VI compliance requirements apply to any county department or agency that receives FFA.

The Office of Internal Audit conducted a site review of the Fire and Rescue Department on April 20, 2015 with the Deputy Fire Chief and the Grants Coordinator. The site review addressed the Title VI compliance requirements for the Georgia Emergency Management Agency (GEMA) sub-grant for the Georgia Search and Rescue (GSAR) project. The ongoing award is for the period of fiscal year (FY) July 2014 – June 2015 in the amount of \$15,837.

BACKGROUND

The Fire and Rescue Department provides fire, life safety, and support services to Unincorporated Fulton County in the following services:

- Fire Prevention Education
- Fire Suppression Mitigation
- Emergency Medical Service
- Hazardous Material Response
- Technical Rescue Response
- Fire Inspections and Code Enforcement
- Fire Investigation
- Community Emergency Response Training

OBJECTIVES

The Office of Internal Audit has the responsibility of conducting Title VI Compliance Site Reviews of Federal financial assisted recipients and sub-recipients to determine whether they are honoring their commitments, as represented by certification, to comply with the Title VI/Non-discrimination Civil Rights requirements.

The primary objective of the site review was to determine if the Fire and Rescue Department has met its General Reporting and Program-Specific requirements of the state and federal laws, rules and regulations and Federal Emergency Management Agency (FEMA) relating to Title VI. In addition, requirements and guidance measures of Limited English Proficiency (LEP) for program sub-recipients and contractors were discussed.

The secondary objective of the Compliance Site Review was to provide technical assistance in the form of training and to make recommendations regarding corrective actions as deemed necessary and appropriate.

SCOPE

The scope of this Title VI Compliance Site Review of the Fire and Rescue Department examined the following requirements according to FEMA Civil Rights Program for emergency management:

- (1) General Requirements
 - a. Each application for federal assistance contains signed assurances or award contract agreement of compliance with Civil Rights regulations
 - b. A copy of the agency's Title VI compliant procedures
 - c. A copy of the agency's Title VI and LEP plan for providing access to Limited English populations
 - d. A posted copy of appropriate civil rights posters, pamphlets and notice to public information

- (2) Program-Specific Requirements
 - a. A description of how the agency monitors its sub-recipients for compliance with Title VI (if applicable)
 - b. A copy of sub-recipients Annual Title VI Certifications and Assurances (if applicable)
 - c. Ensure meaningful access to programs and activities by persons with limited English proficiency
 - d. Promote the full and fair participation of all affected populations of programs and activities through public outreach strategies

METHODOLOGY

A memorandum was sent to the Fire Chief providing notification of the site review. Additionally, an email notification was sent to the Deputy Fire Chief and the Grants Coordinator about the site review visit along with an electronic copy of the Title VI Compliance Site Review Tool used to conduct the monitoring. The tool provided a preview of compliance areas that would be assessed.

The review tool was utilized to access the various areas of the Department's Title VI requirements as well as gather information relating to Title VI specialty areas (Public Participation/Outreach and Service Recipient Demographics (when applicable)).

In addition, the agency was informed that Title VI Basics and Compliance Training would be conducted during the site review. This training assists with the efforts of understanding, obtaining and maintaining continuous, non-discrimination compliance.

REQUIREMENTS, FINDINGS AND RECOMMENDATIONS

No findings of Title VI deficiencies.

CONCLUSION

The Fire and Rescue Department is compliant with Title VI Civil Rights policies, regulations, procedures and contract agreements. The compliance site review demonstrated that the Agency is very diligent and proactive in complying with Title VI requirements of the Federal awarding agencies of Homeland Security, FEMA and GEMA.

The Office of Internal Audit has worked diligently to develop Title VI/Non-discrimination guidelines, policies, tools, and training, as well as provides technical assistance to federal recipient programs county-wide. We will continue to ensure that each department and agency promotes and implements proper measures to meet and maintain compliance with Title VI requirements, policies and procedures.

Please provide a written response to this review within 30 days if findings and/or concerns are listed in this report. You may email your written response to the County Manager and Trina Alston, Title VI Coordinator, in the Office of Internal Audit at Trina.Alston@fultoncountyga.gov. We would like to thank management and staff for their timely cooperation and assistance during this Title VI site review. The distribution of this report is reserved for the executive management of Fulton County and the Board of Commissioners.
