

Georgia Secretary of State Absentee Ballot Request Portal

2020 Training Guide

In the State of Georgia, voters have the opportunity to cast a ballot before Election Day either by mail or in person. No excuse or justification is required for either absentee by mail or in person. To request an absentee ballot, voters should complete an absentee ballot application and return the absentee ballot application to their county registration office.

Due to the health concerns caused by the COVID-19 virus, Georgia has seen a huge increase in the number of absentee ballot requests. The Secretary of State office has created an online absentee ballot request portal to provide a convenient and quick process to request an absentee ballot. Voters can submit an absentee ballot request to their county registration office online with a GA State ID or Driver's License.

O.C.G.A. 21-2-380(b), 21-2-384 (a)(2) , 21-2-385(d)

To submit an absentee ballot request, voters can will select **Request Absentee Ballot** under the election name. The next Statewide election will be displayed on the homepage. Voters will only be able to submit a request online for the displayed election, unless they are a UOCAVA or elderly/disabled voter.
