

NOTICE OF CALL FOR SPECIAL ELECTION
TO THE QUALIFIED VOTERS OF FULTON COUNTY
TO CONSIDER A SPECIAL ONE PERCENT SALES AND USE TAX

NOTICE IS HEREBY GIVEN that on November 3, 2026, an election will be held in all of the election districts of Fulton County, at which time there will be submitted to the qualified voters of Fulton County for their determination the question of whether or not a special one percent (1%) sales and use tax shall be reimposed on all sales and uses in Fulton County beginning July 1, 2027, upon the expiration of the current sales and use tax, and continuing for a period of time not to exceed 20 calendar quarters to raise not more than \$2,095,680,577.00 to be expended for the educational purposes described below. If the continuation of the tax is approved by the voters, such vote shall also constitute the approval of the issuance of the general obligation debt of the Atlanta Independent School District in a principal amount not to exceed \$350,000,000.00 (the "APS Bonds") for the purpose of funding all or a portion of the APS Projects detailed below.

The several places for holding said election shall be at the regular and established voting precincts of all of the election districts of Fulton County, and the polls will be open from 7 a.m. until 7 p.m. on the date fixed for the election.

The registration deadline for taking applications from persons desiring to register to vote in this election will be the close of business on October 5, 2026. Early in-person voting begins October 13, 2026. The last day to submit an absentee ballot application shall be October 23, 2026.

For the Fulton County School District ("FCS"):

- (A) The following capital outlay projects ("Fulton Projects") and the expenses incidental to accomplishing the Fulton Projects, including but not limited to implementation expenses, assessment expenses, management expenses and legal expenses, at a total maximum cost of \$1,306,195,350.00 (the actual amount of the proceeds to be determined by the ratio of Fulton County School District students to Atlanta Independent School students as determined by the latest FTE count prior to the referendum):

- (i) Replace, renovate, repurpose, reconstruct, consolidate, or reconfigure (alone or in combination with one or more other schools and/or facilities), or upgrade, add to or modify, and/or provide or consolidate classroom capacity as needed, acquire land if needed, schools and/or facilities (including site preparation, sitework improvements and the demolition of all or portions of existing structures, as needed) to accommodate current and future student enrollment, class-size and programmatic needs; specifically:

Replacement elementary school in Planning Region A
Replacement elementary school in Planning Region C

- (ii) Replacing, updating, renovating, adding to, modifying, and equipping certain critical systems, infrastructure, safety systems and non-critical

systems at the following schools if and as needed, based on the condition and identified deficiencies:

Webb Bridge Middle School
Northwestern Middle School
Centennial High School
Hapeville Elementary School
Johns Creek High School
Langston Hughes High School
Milton High School
New Prospect Elementary School
Northwood Elementary School
Renaissance Middle School
Ridgeview Middle School
Sandtown Middle School
Tri-Cities High School
Stonewall Tell Elementary School
Westlake High School
Woodland Middle School

- (iii) Adding to, renovating, modifying, updating, acquiring land (if needed) and equipping some or all of District facilities and schools (as needed) to provide and support the following instructional and program needs:

Renovations and/or upgrades to accommodate Career Technical and Agricultural Education (CTAE) program expansions.

Renovations and/or upgrades to accommodate expansion of exceptional students' educational programs and services.

- (iv) Adding to, renovating, modifying, reconfiguring, acquiring land (if needed) restoring, equipping, upgrading, acquiring, replacing and installing capital improvements for various existing and new schools, buildings, physical education athletic facilities and stadiums (including buildings and facilities to be constructed pursuant to this resolution, once completed and including site preparation, site improvements and demolition of existing structures if necessary)—including but not limited to: roofing, plumbing, wiring, electrical systems, LED lights, lighting and lighting systems, painting, water piping, HVAC, ADA renovations, infrastructure improvements, repaving, sidewalks, fire alarm and intercom systems, school system safety and security, building security improvements, kitchen equipment replacements, generators and generator back-ups, ceilings, floors and windows, utility and/or other conservation improvements, physical education facilities, outdoor classrooms, playgrounds, play spaces, surfacing, fencing and landscape shading for playgrounds, play spaces and outdoor classrooms, classroom additions, and program-driven modifications, as needed, including but not limited to any, some or all of the following schools and facilities

- (v) Acquiring land and preparing sites for possible future schools, and facilities; constructing new schools and/or facilities; adding to, modifying, replacing, reconfiguring schools and/or facilities to accommodate current and future student enrollment, to provide or consolidate classroom capacity; to mitigate emergencies (including without limitation natural disasters, pandemics, health and safety), or public takings impacting any, some or all of FCS Schools and Facilities, as needed, including, but not limited to, site preparation, site improvements and the demolition of all or portions of existing structures as needed;
- (vi) Making technology improvements, and replacing, purchasing, renewing, installing, upgrading or supplementing various technology as needed, such as but not limited to: instructional technology, digital instructional materials, software, professional learning technology, information security, process automation and data management and utilization systems, right-to-use technology assets, long term leases and/or licenses of cloud based and other similar technology, disaster recovery systems, firewalls and data security, device management systems, network and connectivity hardware, educational devices hardware support, communication systems, information systems, technology hardware, enterprise content management solutions, enterprise resource planning solutions, data storage systems, and related hardware, software, and infrastructure as needed at any, some or all of FCS Schools and Facilities, upgrades to wireless communication infrastructure and technology, wireless access points, cabling, emergency response technology, access control technology and equipment, security cameras and surveillance systems, at some or all of FCS Schools and Facilities as needed;
- (vii) Acquiring, replacing, modernizing, upgrading or supplementing capital equipment such as: classroom furniture, desks, chairs, tables, multi-year textbooks and instructional resources, instructional equipment, band/music instruments and equipment, equipment that supports learning, school nutrition equipment, school buses, school bus equipment, school bus lifts, school bus communication systems, school bus cameras, school police

vehicles, school police equipment, transportation vehicles, support vehicles, support vehicle equipment, automated fuel management systems, physical access controls and door intercoms, ballistic vests and communication radios, new or existing safety enhancements to doors, entryways, windows, automated external defibrillators, classroom interactive projectors, flat panel interactive monitors, computer lab equipment and devices, audio-visual equipment, copiers, printers, 3D printers medical, emergency and evacuation equipment, and similar equipment, as needed at any, some or all of FCS Schools and Facilities;

- (viii) Acquiring, constructing, modifying, replacing and/or supplementing capital improvements, capital equipment and technology, and modifying, reconfiguring, and equipping, existing buildings, schools and facilities (including buildings and facilities to be constructed pursuant to this resolution, once completed), as needed to comply with legislative mandates, to mitigate unexpected capital losses due to theft or calamity, and for minor capital projects, as necessary to implement instructional program-driven modifications and/or programmatic innovations;

For the Atlanta Independent School System:

(A) The following capital outlay projects located in Fulton County (“APS Projects”) and the expenses incidental to accomplishing the APS Projects including, but not limited to, implementation expenses, management expenses and legal expenses, at a total maximum cost of \$789,485,227.00 (the actual amount of the proceeds to be determined by the ratio of Fulton County School District students to Atlanta Independent School students as determined by the latest FTE count prior to the referendum):

- (i) Replace, renovate, repurpose, reconstruct, modify, consolidate, or reconfigure (alone or in combination with one or more other schools and/or facilities), or upgrade, add to or modify, and/or provide or consolidate classroom capacity as needed, acquire land if needed, equip, schools and/or facilities (including site preparation, sitework improvements and the demolition of all or portions of existing structures, as needed) to accommodate current and future student enrollment, class-size and programmatic needs; specifically:
 - (1) Booker T. Washington High School
 - (2) A School of Arts on G.W. Carver Campus
 - (3) New Elementary School at the A.D. Williams site or alternative site within the Douglass feeder pattern
 - (4) Maynard Jackson High School
 - (5) Midtown High School
- (ii) Adding to, modifying, reconfiguring schools, replace, renovate, demolish of all or portions of existing schools, buildings and/or facilities, any or

some APS Schools and Facilities or creating new schools to accommodate current and increased student enrollment, class-size reductions, and programmatic needs, and acquiring land and preparing sites for constructing and equipping new or replacement schools and facilities, or equivalent classroom capacity, (including site preparation and the demolition of all or portions of existing structures) if and as needed; and as needed to mitigate emergencies (including without limitation natural disasters, pandemics, health and safety) or public takings impacting any, some or all of APS Schools and Facilities;

- (iii) Adding to, renovating, modifying, reconfiguring, equipping, upgrading, supplementing, acquiring land (if needed), replacing, and installing capital improvements for various existing and new schools, buildings, stadiums and facilities (including schools, buildings and facilities to be constructed pursuant to this resolution, once completed and including any site preparation and demolition of existing structures if necessary)--e.g., roofing, plumbing, infrastructure, critical systems, wiring, electrical systems, lighting and lighting systems, painting, water piping, HVAC, ADA renovations, infrastructure improvements, repaving, sidewalks, fire alarm and intercom systems, restroom facilities, systems for environmental and air quality control, physical education facilities and equipment, play spaces, playgrounds, surfacing, fencing and landscaping for playgrounds, play spaces and outdoor classrooms classroom additions, outdoor classrooms kitchens, freezer/cooler replacements, generators and generator back-ups, ceilings, floors and window, utility conservation improvements, fire protection, safety and security improvements, capital improvements needed to comply with legislative mandates, and as needed to mitigate unexpected capital losses due to theft or calamity, improvements to comply with health, safety and applicable building codes, traffic control and optimization, parking and parking capacity, stormwater management facilities, and program-driven modifications, including but not limited to some or all of the following schools and facilities ("APS Schools and Facilities"):

- (iii) Making technology improvements, by acquiring, replacing, purchasing, installing, upgrading, renewing or supplementing technology including, but not limited to: instructional technology, digital instructional materials, information systems hardware, software and infrastructure, digital communication technology, wireless technology, wireless infrastructure, enterprise content management solutions, right-to-use technology assets, long term leases and/or licenses of cloud based and similar technology, data storage systems, telecommunication systems, mass communications systems, technology hardware, software, and related infrastructure at schools and facilities, at some or all of APS Schools and Facilities, upgrades to wireless communication infrastructure and technology, emergency response technology, access control technology and equipment, security cameras and surveillance upgrades at some or all of APS Schools and Facilities;

- (iv) Making athletic field and physical education facility upgrades and improvements at various middle and high schools and stadiums serving such schools;
- (v) Acquiring, replacing, purchasing, refurbishing, equipping and supplementing vehicles and capital equipment including without limitation school buses, , school bus lifts, school police vehicles, school police equipment, support vehicles, fuel management systems, medical, emergency and evacuation equipment, etc.;
- (vi) Replacing, purchasing, upgrading, refurbishing or supplementing capital equipment including, but not limited to, desks, chairs, tables, multi-year textbooks, instructional resources, instructional equipment, physical education equipment, band and music instruments and equipment, equipment that supports learning, band equipment, kitchen equipment, waste compactors, portable classrooms/modular buildings, custodial equipment, grounds equipment, and similar capital equipment at some or all of APS Schools and Facilities;
- (vii) Making of site, facility and technology improvements deemed necessary to improve safety and security, and enhance surveillance systems at some or all of APS Schools and Facilities;

Section 2. General Obligation Debt Authorized for Atlanta Independent School System. If the imposition of the sales tax is approved by a majority of the qualified voters residing within the limits of Fulton County voting in the election hereinafter referenced, then the Atlanta Independent School System is authorized to issue general obligation debt via APS Bonds in the aggregate maximum principal amount not to exceed \$350,000,000.00 payable from and secured by its portion of the proceeds of the SPLOST. The purpose for which the APS Bonds is to be issued shall be to pay all or a portion of the cost of the APS Projects located in Fulton County and expenses related thereto, including without limitation interest and the cost of the issuance of the APS Bonds. The maximum rate or rates of interest on such debt shall not exceed six percent 6% per annum. The maximum amount of principal to be paid in each year during the life of the APS Bonds shall be as follows:

<u>Year:</u>	<u>Principal Amount:</u>
2028	\$63,340,000.00
2029	\$66,510,000.00
2030	\$69,835,000.00
2031	\$73,325,000.00
2032	\$76,990,000.00

The Atlanta Board of Education may authorize Atlanta Independent School System to issue APS Bonds in an aggregate amount which is less than \$350,000,000.00 and reduce the principal amounts shown above. The APS Bonds shall be repayable from the proceeds of the Atlanta Board

of Education's portion of the SPLOST. The APS Bonds may be issued in one or more bond series, and on one or more dates of issuance as the Atlanta Independent School System may approve.

As required by O.C.G.A. §36-82-1(d), any brochures, listings or other advertisements issued by the Atlanta Board of Education or by any other person, firm, corporation or association with the knowledge and consent of the Atlanta Board of Education shall be deemed to be a statement of intention of the Atlanta Board of Education concerning the use of the APS Bonds.

Section 3. Call for Election. The Fulton County Board of Education and Atlanta Board of Education hereby call, and request that the Board of Registration and Elections of Fulton County call, an election to be held in all the voting precincts in Fulton County on the 3rd day of November 2026, for the purposes of submitting to the qualified voters of Fulton County the question set forth in Section 4 below.

Section 4. Form of Ballot. All qualified voters desiring to vote in favor of the questions propounded shall vote "Yes" and all qualified voters desiring to vote in opposition of the questions propounded shall vote "No." The ballots to be used in such election should have written or printed thereon substantially the following language or such other language as may be required by law:

- () YES Shall the special one percent sales and use tax for educational purposes currently imposed in Fulton County be reimposed on July 1 2027 upon the expiration of the
- () NO currently imposed tax, for not longer than 20 consecutive calendar quarters, to raise not more than \$2,095,680,577.00 to be used for the following educational purposes:

For the Fulton County School District:

- (A) for acquiring, reconfiguring and developing land for, constructing and equipping, new and replacement schools and support facilities;
- (B) adding to, upgrading, reconfiguring, renovating, replacing, modifying and equipping existing and replacement schools, support facilities and athletic facilities;
- (C) making technology improvements and safety and security improvements for schools and facilities; and
- (D) replacing, purchasing, upgrading or supplementing capital equipment as needed, including without limitation furniture, multi-year textbooks, instructional resources, physical educational equipment, band and music equipment, audio visual equipment, equipment that supports learning and similar equipment; and
- (E) acquiring and equipping school buses, school police vehicles, support vehicles, transportation vehicles and other capital equipment;

in an amount not to exceed \$1,306,195,350.00 for the Fulton County School District, all as more fully described in the Notice of Election.

For the Atlanta Independent School System:

- (A) for acquiring, reconfiguring and developing land for, constructing and equipping, new

and replacement schools and support facilities;

(B) adding to, upgrading, reconfiguring, renovating, replacing, modifying and equipping existing and replacement schools, support facilities and athletic facilities;

(C) making technology improvements and safety and security improvements for schools and facilities;

(D) replacing, purchasing, upgrading or supplementing capital equipment as needed, including without limitation furniture, multi-year textbooks, instructional resources, physical educational equipment, band and music equipment, audio visual equipment, equipment that supports learning and similar equipment; and

(E) acquiring and equipping school buses, school police vehicles, support vehicles, transportation vehicles and other capital equipment;

at a total maximum cost of \$789,485,227.00 , for the Atlanta Independent School System as more fully described in the Notice of Election.

If the imposition of the tax is approved by the majority of the qualified voters residing in Fulton County, such vote shall also constitute approval of the issuance of general obligation debt of the Atlanta Independent School System in the principal amount of up to \$350,000,000.00 payable from its portion of the tax for the purpose of funding all or a portion of the APS Projects located in Fulton County.

All residents of Fulton County qualified to vote at such election shall be determined in all respects in accordance with the election laws of the State of Georgia.

This notice is given by the Fulton County Board of Registration and Elections, as election superintendent pursuant to concurrent resolutions of the Board of Education of Fulton County and the Board of Education of the Atlanta Independent School System.
