

**FULTON COUNTY BOARD OF HEALTH
ADVERTISEMENT FOR SOLE SOURCE**

SS01-060122-MPS Home Self-Collection STD Testing

The Fulton County Board of Health (FCBOH) is providing public notice of its intent to award a contract to Ash Wellness, Inc. to provide Sexually Transmitted Disease home self-collection testing, online ordering and test results, and prepaid return shipping on test kits. Ash Wellness, Inc. has been identified as the Sole Source for this purchase for the reasons stated in the attached Sole Source Justification Form. Any vendor capable of providing the identified goods/services must submit an Offer to Perform regarding the sole source determination. All Offers to Perform must be presented in writing prior to the closing date, **June 10, 2022**. Any Offers to Perform must be accompanied with sufficient documentation which will allow the FCBOH to meaningfully review the offer.

All Offers to Perform shall be submitted via email to:
FCBOH.Purchase@fultoncountyga.gov.

This public notice shall serve as Fulton County Board of Health's notice of intent to award.

Fulton County Board of Health reserves the right to accept or reject any or all offers and to waive technicalities.

Inset Scope of Work:

Vendor will provide a specific suite of services we seek without the requirement to pay for additional testing: 3-site GC/chlamydia, syphilis, HIV home self-collection; online portal for ordering and test results; pre-paid return shipping on kits; additional kits to FCBOH for agency or partner distribution; customizable branding; FDA-approved testing centers; lab network with redundancy.
