FY 2026 CoC Competition New Project – DV Bonus, DV Reallocation, DV Transition Local Application

Introduction and Background

The U.S. Department of Housing and Urban Development (HUD) released the [Fiscal Year 2026 Continuum of Care \(CoC\) Competition and Youth Homelessness Demonstration Program \(YHDP\) Grants Notice of Funding Opportunity \(NOFO\)](#) on June 1, 2026. The purpose of the funding is to promote a community-wide commitment to the goal of ending homelessness and to provide funding for efforts by nonprofit providers, states, local governments, and Indian Tribes or tribally designated housing entities to quickly rehouse homeless individuals, families, youth, persons fleeing domestic violence, dating violence, sexual assault, and stalking while minimizing the trauma and dislocation caused by homelessness; to promote access to and effective utilization of mainstream programs by homeless individuals and families, and to optimize self-sufficiency.

Please note, this year's NOFO introduces significant shifts in funding priorities, with an increased focus on:

- \$1.3 billion set-aside for new Transitional Housing and Supportive Service Only projects
- Treatment and recovery-oriented programming
- Shift away from Housing First, with a focus on service participation requirements for program participants to promote self-sufficiency
- Reducing unsheltered homelessness and encampments
- Reducing returns to homelessness
- Increasing competition for grants in order to improve system efficiencies
- Increasing participants earned income and long-term stability
- Increasing exits to permanent housing without subsidy
- Advancing public safety through partnerships with law enforcement and first responders

This NOFO provides funding opportunities for Permanent Supportive Housing, Rapid Rehousing, Homeless Management Information System, Coordinated Entry with a focus on supportive services, street outreach, and standalone transitional housing projects, encouraging CoCs to evaluate project effectiveness and ensure participation from diverse community partners, including faith-based organizations. Tier 1 is equal to 60% of the CoC's Annual Renewal Demand meaning more competition at the local and national level. More information about the FY 2026 CoC NOFO and additional application resources can be found on the [Continuum of Care Competition page](#) on HUD's website.

Section II – Transition Grant

HUD's FY 2026 CoC NOFO establishes a \$1.3 billion set aside for new projects in Tier 2, with a priority for Transitional Housing and Supportive Service Only (including Street Outreach) projects. If any funds are available, HUD will fund renewal projects in Tier 2, based on their Tier 2 score, last. As a result, renewal projects that are not ranked in Tier 1 will be at the highest risk of not being fully funded or funded at all.

The CoC program allows renewal projects to be reallocated directly to a new project, administered by the same grantee, through an application mechanism known as a Transition Grant. A Transition Grant is a new project application created through reallocation that enables an eligible CoC renewal project, including Special NOFO or DV Renewal projects, to move from one program component to another eligible component over a one-year

period. The renewal project being transitioned must be fully eliminated through reallocation. Transition Grant applications awarded FY 2026 by HUD funds must fully convert to the new project type by the end of the one-year grant term, and may only apply for renewal in the next CoC Program Competition under the project type that was transitioned to. Additional information about Transition Grants is provided in Section II.B.3.k of the FY 2026 CoC NOFO.

Transitioning from Permanent Housing to Transitional Housing

When considering submitting a Transition Grant from a permanent housing (PSH or RRH) to a transitional housing project type please note the following:

- Eligibility of current PH residents for new TH - Program participants residing in CoC funded RRH and PSH are housed and are not homeless. Program participants in these project types maintain eligibility for the purposes of a transfer into PSH only (42 USC 11383(f)). As HUD noted in its recent guidance, current program participants in RRH or PSH could be eligible for TH if the program participant has been referred by the CoC’s coordinated entry and one of the following is true:
 - the program participant is fleeing or attempting to flee domestic violence, does not have another residence, and does not have the resources or support networks needed to obtain other permanent housing;
 - the program participant’s lease expires within 14 days, does not have another residence, and does not have the resources or support networks needed to obtain other permanent housing; or,
 - an eviction process has been initiated for the program participant in their current housing, and they must vacate the unit within 14 days.

- Administration of rental assistance in TH - Nonprofit organizations are not authorized to administer rental assistance in CoC-funded transitional housing. The recipient of a TH project that uses rental assistance to pay for rental costs must be a unit of state or local government or a Public Housing Authority. Nonprofit organizations may either use leasing dollars in a TH project or enter into a contract or subrecipient agreement with an eligible entity that can administer the rental assistance.

The CoC encourages renewal project applicants to seriously consider the implications of HUD’s funding process and coordinate with other renewal project applicants to determine if you will submit a New Project Transition Application. **If an applicant submits a New Project Transition Application, the Rating and Ranking Committee will not consider the applicants previously awarded FY 2025 project for funding and will only review and score the New Project Transition Application for potential inclusion on the CoC Priority Listing submitted to HUD.**
