

Fulton County Continuum of Care FY 2026 CoC Competition New Project – Renewal Expansion Local Application

Introduction and Background

The U.S. Department of Housing and Urban Development (HUD) released the [Fiscal Year 2026 Continuum of Care \(CoC\) Competition and Youth Homelessness Demonstration Program \(YHDP\) Grants Notice of Funding Opportunity \(NOFO\)](#) on June 1, 2026. The purpose of the funding is to promote a community-wide commitment to the goal of ending homelessness and to provide funding for efforts by nonprofit providers, states, local governments, and Indian Tribes or tribally designated housing entities to quickly rehouse homeless individuals, families, youth, persons fleeing domestic violence, dating violence, sexual assault, and stalking while minimizing the trauma and dislocation caused by homelessness; to promote access to and effective utilization of mainstream programs by homeless individuals and families, and to optimize self-sufficiency.

Please note, this year’s NOFO introduces significant shifts in funding priorities, with an increased focus on:

- \$1.3 billion set-aside for new Transitional Housing and Supportive Service Only projects
- Treatment and recovery-oriented programming
- Shift away from Housing First, with a focus on service participation requirements for program participants to promote self-sufficiency
- Reducing unsheltered homelessness and encampments
- Reducing returns to homelessness
- Increasing competition for grants in order to improve system efficiencies
- Increasing participants earned income and long-term stability
- Increasing exits to permanent housing without subsidy
- Advancing public safety through partnerships with law enforcement and first responders

This NOFO provides funding opportunities for Permanent Supportive Housing, Rapid Rehousing, Homeless Management Information System, Coordinated Entry with a focus on supportive services, street outreach, and standalone transitional housing projects, encouraging CoCs to evaluate project effectiveness and ensure participation from diverse community partners, including faith-based organizations. Tier 1 is equal to 60% of the CoC’s Annual Renewal Demand meaning more competition at the local and national level. More information about the FY 2026 CoC NOFO and additional application resources can be found on the [Continuum of Care Competition page](#) on HUD’s website.

Renewal Expansion

The process used by eligible renewal project applicants to add funds to an existing CoC Renewal, DV Renewal or YHDP Renewal project to expand its current operations either through reallocation, DV Bonus or a CoC Bonus project application. The new funding being added to the existing renewal must be submitted using this Application in addition to the Renewal Project Local Application. This portion of the project is known as new expansion project.

HUD will allow project applicants to apply for new expansion projects to expand existing projects to increase the number of units, persons served, services provided to existing program participants, or to add additional activities to HMIS and SSO-CE projects.

The new expansion project applications must meet the project eligibility and project quality thresholds in V.A.4.a and V.A.4.c of the FY 2026 CoC NOFO and must be for the same component as the project being expanded. Additionally, the renewal project being expanded must have an expiration date in CY 2027.

In the case of YHDP Replacement applications to expand existing YHDP Renewal projects, applicants must submit a YHDP Replacement and a YHDP Reallocation application separately and each project must be included in the CoC's Priority Listing.
