Discussion items:

I. 2017 Work Plan

- No update on contractor
- Meeting with Jeff Cheek has not been scheduled
- Generated evaluation questions for disparities update
 1. What changes have been observed in viral load, CD4, and opportunistic infections in zip codes 30308, 30310, 30314, 30315, 30318, 30032 since 2013?

2. What actions have been taken by HIV providers since 2013 to increase access to HIV care in targeted zip codes?
3. Have any collaborations/partnerships been established with FQHCs?
4. What zip codes are being served by mobile units?
5. What is the demographic profile of individuals living with HIV/AIDS in the Atlanta EMA with:
 - Viral loads higher than 55,0001
 - CD4 counts less than 200
 - Higher than average opportunistic infections?
6. What is the geographic location of individuals presenting with the conditions listed above?
7. What factors in those locations impact access to health care and related support services?
8. What recommendations from 2013 have been implemented?
9. What is the current status of the female population in 30315?

- Data Sources

- Georgia department of Public Health – recipient’s office will coordinate a request of state’s information (Pascal Whortley?)
 - CAREWare; also transportation data
 - Integrated plan
 - Providers – can also provide transportation data
 - Recipient office – application narratives
 - Fulton County Board of Health and Mercy Care mobile clinic information

II. Committee Tasks

- Jeanette schedule meeting with Jeff Cheek
- Members review Integrated Plan, Sections I.C, D, E
- Jocelyn McKenzie will send copy of plan; also accessible on Fulton County website

III. Schedule and Plan Next Meeting

Wednesday, October 4, 2017

9:30-11:30

Atlanta Legal Aid, First Floor

Agenda

- Review findings from review of Integrated Plan
- Report on meeting with Jeff Cheek
- Data request response
- Contractor update
