INTRODUCTION

Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color or national origin under any program or activity receiving Federal Financial Assistance (FFA). Title VI compliance requirements apply to any county department, agency or sub-recipient that receives FFA.

The Office of the County Auditor conducted a Title VI Compliance review of the Department of HIV Elimination’s sub-recipient Aniz, Inc., on May 05, 2026, with Keisha Brown, Deputy Director. The review addressed the Title VI compliance requirements for the Ryan White grant in the total amount of \$394,993.00 for the period of March 01, 2026 – February 28, 2027, for program and services.

The program received funds for the following programs and/or services:

PROGRAMS/SERVICES	FUNDING AMOUNT
Part A – Outpatient/Ambulatory Health Services	\$485,287
Part – Oral Health	\$177,867
Part A – Medical Nutrition Therapy	\$34,291
Part A – Mental Health	\$55,870
Part A – Health Insurance Cost Sharing Assistance	\$5,500
Part A – OAHS STOP GAP	\$99,000
Part A – Linguistics Services	\$4,500
Part A – Medical Transportation	\$9,000
Part A – Patient Navigation (Non-Medical Case Management)	\$32,170
Part A – Quality Management	\$83,140
EHE – Initiative Services	\$110,022

BACKGROUND

Fulton County’s Department of HIV Elimination administers the Atlanta area Ryan White Part A and Ending the HIV Epidemic (EHE) grants, which collectively represent millions of dollars in annual federal funding. Ryan White Part A funds are utilized to enhance the availability, accessibility, and quality of comprehensive HIV care for low-income, uninsured, and underinsured individuals and families residing within the 20-county Atlanta Eligible Metropolitan Area.

Ending the HIV Epidemic (EHE) funding supports targeted strategies to identify, link, and

re-engage people living with HIV in medical care. This includes individuals who are newly diagnosed as well as those previously diagnosed but not currently receiving care. EHE-funded activities also include the provision of essential support services, workforce development initiatives, and technical assistance aimed at strengthening the regional HIV care infrastructure and improving health outcomes.

Founded in 1996, ANIZ, Inc. emerged from a critical need to address the lack of HIV treatment and support available to a young Black male affected by the epidemic. Motivated by firsthand experiences with systemic racism, stigma, and healthcare inequities, the organization began by providing HIV prevention and education services to underserved communities, with a particular focus on adolescents and young adults.

Over the years, ANIZ has become a trusted leader in delivering culturally responsive, nonjudgmental, and trauma-informed services. Recognizing that health disparities are often rooted in broader social and economic challenges, the organization has expanded its work to address the interconnected impacts of trauma, poverty, hunger, discrimination, and systemic injustice. Through a holistic approach that promotes healing, resilience, and empowerment, ANIZ continues to help individuals and families overcome barriers and build healthier, more stable futures.

Aniz, Inc. was founded in 1996 out of necessity, sparked by the lack of HIV treatment for a young black male. Witnessing the impact of systemic racism and prejudice, the organization began its purpose by providing HIV education to underserved communities, focusing on adolescents.

Aniz promotes emotional, mental, and physical wellness by providing trauma-informed support services, sexual health education, and community-based interventions that reduce risk behaviors and improve outcomes for individuals and communities disproportionately impacted by sexual health disparities, stigma, and social inequities.

OBJECTIVES

The Office of the County Auditor has the responsibility of conducting Title VI Compliance Site Reviews of federal financial assisted recipients and sub-recipients to determine whether they are honoring their commitments, as represented by certification, to comply with the Title VI/Non-discrimination Civil Rights requirements.

The primary objective of the site review was to determine if the recipient has met its General Reporting and Program-Specific contractual requirements of the state, federal and county laws, policies, rules, and regulations relating to Title VI. In addition, requirements, and guidance measures of Limited English Proficiency (LEP) for program recipients, sub-recipients and contractors were discussed.

The secondary objective of the Title VI Compliance Site Review was to provide technical assistance in the form of vital material language translation, proper Title VI awareness/access signage placement and recommendations regarding corrective actions as deemed necessary and appropriate.

SCOPE

The scope of this Title VI Compliance Site Review examined the following requirements according to the agreement with the Eligible Metropolitan Area (EMA), HIV/AIDS Bureau (HAB) of the Health Resources and Services Administration (HRSA) of the US Department of Health and Human Services (HHS) and the Fulton County Department for HIV Elimination:

(1) General Requirements

- a. Each application for federal assistance contains signed assurances or award contract agreement of compliance with Civil Rights regulations.
- b. A copy of the agency's Title VI complaint procedures.
- c. A copy of the agency's Title VI and LEP plan for providing access to Limited English populations.
- d. A posted copy of appropriate civil rights posters, pamphlets, and notice to public information.
- e. Placement of "babel" notice in service locations and on service documents. (Notification of translation services provided at no additional cost to participants)

(2) Program-Specific Requirements

- a. A description of how the agency monitors its sub-recipients for compliance with Title VI (if applicable).
- b. A copy of sub-recipients' Annual Title VI Certifications and Assurances (if applicable).
- c. Ensure meaningful access to programs and activities by persons with limited English proficiency.
- d. Promote the full and fair participation of all affected populations of programs and activities through public outreach strategies.

METHODOLOGY

An initial email was sent to Ms. Brown providing notification of the site review. In addition, an electronic copy of the Title VI Compliance Site Review Tool was sent, via email, used to conduct monitoring. The tool provided a preview of compliance areas that would be assessed.

The review tool was utilized to assess the various areas of the Agency's Title VI requirements as well as gather information relating to Title VI specialty areas (Public Participation/Outreach and Service Recipient Demographics (when applicable)).

REQUIREMENTS, FINDINGS AND RECOMMENDATIONS

Findings

No findings of Title VI deficiencies.

CONCLUSION

Aniz Inc. demonstrated Title VI compliance as required. The sub-recipient displayed proper Title VI signage in appropriate places, providing Title VI awareness to program participants and employees. The agency also presents language access rights in new hire orientation, on the organizational website and intake locations.

The agency has adopted Fulton County 's Title VI complaint procedures and communicates this information through signage posted throughout its service locations, reception areas, and employee common areas. In addition, the recipient provided a copy of the mandatory assurances and awarded contract agreement signed by the County's authorized certifying official, Sharon Whitmore.

Aniz also provided public notification of rights and accessibility of Title VI. The recipient ensures LEP compliance through the use of interpretation and translation services of vital documents and the use of several Foreign Language Translation Services and bilingual staff, when applicable, at no additional cost to clients.

The agency is compliant with Title VI Civil Rights policies, mandates, regulations, procedures, and contract agreements. The compliance site review demonstrated that the department is thorough in complying with Title VI requirements.

The Office of the County Auditor has worked diligently to develop Title VI/Non-discrimination guidelines, policies, tools, and training as well as provide technical assistance to Fulton County's federal recipient programs and its sub-recipients. We will continue to ensure that each department and agency promotes and implements proper measures to meet and maintain compliance with Title VI requirements, policies, and procedures.

Please provide a written response to this review within 10 business days if findings and/or concerns are listed in this report. You may email your written response to the County Manager, Dick Anderson, and Trina Alston, Title VI Coordinator, in the Office of the County Auditor. We would like to thank management and staff for their timely cooperation and assistance during this Title VI site review. The distribution of this report is reserved for the executive management of Fulton County and the Board of Commissioners.
