   a. Please note that no plat is attached to the above referenced Right of Way Deed, and the exact location of the area conveyed cannot be determined based on the included legal description; however, it is probable that the area described actually refers to the slight jog in the right-of-way on the tract immediately to the east of the subject property, which right-of-way area was conveyed by the City of Atlanta to Fulton County by that certain Quitclaim Deed dated April 19, 1962 and recorded in Deed Book 3918, Page 269, aforesaid records, and which was then conveyed to the State Highway Department of Georgia.

The search was conducted for the period 1949-present.
