## Fulton County Statement on Unhoused Voters

Fulton County is committed to providing election access for all lawfully registered voters, regardless of their housing status. Voters experiencing homelessness retain the full right to cast their ballot, and their voices matter.

Georgia law outlines specific processes for voter registration for people who do not have a permanent address.

Fulton County is actively working with nonprofit and faith-based organizations serving unhoused residents to ensure that voter registration occurs within the processes outlined in Georgia law.

For accurate and detailed information regarding voter registration and voting options for individuals experiencing homelessness, please visit [Homeless Voter Information](#).
