Company Name: Poverty 2 Prosperity PS, Inc

Poverty 2 Prosperity PS Inc provide supportive housing/ rapid rehousing and life skill training. The facility provides clients with an eight-step program that teaches them necessary life skills. This collaborative approach to empowerment is the keystone to developing self-sufficiency in the clients. The steps include personal development, vocational training, substance abuse counseling, interpersonal skills building, community involvement, leisure activities, independent life skills, rental assistance, food, and clothing. Poverty 2 Prosperity's mission is to provide families and individuals with quality and safe resources while teaching many skills to empower them to self-sufficiency and facilitate the possible reunification of clients with their families.

With the increased awareness of the community's value in helping reshape the lives of those in need, we are working to form partnerships and solid relational ties with individuals and community organizations throughout the surrounding community. We realize that those who need us most belong to the community, and as such, the community joining together is best able to meet their needs. Through the ongoing involvement and support of others, our clients will continue to receive the care and services they need to help enable them to participate in the community entirely they are a part of.

Poverty 2 Prosperity PS, Inc aims to provide individuals with the necessary resources and support they need to gain self-sufficient living in an atmosphere of dignity, integrity, and respect. We believe that the community finds value in the services that Poverty 2 Prosperity provides and that the ongoing support of community organizations, associations, and individuals is reflective of the community's means of contributing to the joint effort required to serve the needs of members of the community, and ultimately, of humanity.
